ACTION: Additions to the Procurement List.

SUMMARY: This action adds service(s) to the Procurement List that will be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

DATES: Date added to and deleted from the Procurement List: December 14, 2025.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, 355 E Street SW, Suite 325, Washington, DC 20024.

SUPPLEMENTARY INFORMATION:

Addition

On July 11, 2025, the Committee for Purchase From People Who Are Blind or Severely Disabled (operating as the U.S. AbilityOne Commission) published an initial notice of proposed additions to the Procurement List. (90 FR 30634). The Committee determined that the service(s) listed below is suitable for procurement by the Federal Government and has added this service to the

Procurement List as a mandatory purchase for contracting activity listed. In accordance with 41 CFR 51–5.3(b), the mandatory purchase requirement is limited to the contracting activity and location listed, and in accordance with 41 CFR 51–5.2, the Committee has authorized (NPA) as the mandatory source(s) of supply.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the service(s) and impact of the additions on the current or most recent contractors, the Committee has determined that the service(s) listed below are suitable for procurement by the Federal Government under 41 U.S.C. 8501–8506 and 41 CFR 51–2.4.

Regulatory Flexibility Act Certification

End of Certification

1. The action will not result in additional reporting, recordkeeping or other compliance requirements for small entities.

2. The action may result in authorizing small entities to furnish the service(s) to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501–8506) in connection with the service(s) added to the Procurement List.

End of Certification

Accordingly, the following service(s) are added to the Procurement List:

Services(s)

Service Type: Civil Engineering Base Maintenance Support

Mandatory for: US Air Force, United States Air Force Academy (includes Farish Recreational Area and Bullseye Auxiliary Airfield), USAF Academy, CO

Authorized Source of Supply: Skookum Educational Programs, Bremerton, WA

Contracting Activity: DEPT OF THE AIR FORCE, FA7000 10 CONS LGC

The Committee finds good cause to dispense with the 30-day delay in the effective date normally required by the Administrative Procedure Act. See 5 U.S.C. 553(d). This addition to the Committee's Procurement List is effectuated because of the expiration of the Civil Engineering Base Maintenance Support, U.S. Air Force Academy, USAF Academy, CO contract. The Federal customer contacted and has worked diligently with the AbilityOne Program to fulfill this service need under the AbilityOne Program. To avoid performance disruption, and the possibility that the U.S. Air Force will refer its business elsewhere, this addition must be effective on December 14, 2025, ensuring timely execution for a December 15, 2025 start date. The Committee published an initial notice of proposed Procurement List addition in the **Federal**

Register on July 11, 2025 (90 FR 30634) but did not receive any comments. This addition will not create a public hardship and has limited effect on the public at large. Rather, this addition will create new jobs for other affected parties—people with significant disabilities in the AbilityOne program who otherwise face challenges locating employment. Moreover, this addition enables the Federal customer to continue operations without interruption.

Director, Business Operations.

SUPPLEMENTARY INFORMATION:

Title: Clearing Exemption for Certain Swaps Entered into by Cooperatives (OMB Control No. 3038–0102). This is a request for an extension of a currently approved information collection.

Abstract: Section 2(h)(1)(A) of the Commodity Exchange Act (“CEA”) requires certain entities to submit swaps for clearing if they are required to be cleared by the Commission. Commission regulation 50.51 permits certain cooperatives to elect not to clear certain swaps that otherwise would be required to be cleared, provided that

they meet certain conditions. The rule establishes a reporting requirement for cooperatives that is critical to ensuring compliance with the Commission’s clearing requirement under section 2(h)(1) of the CEA and is necessary in order for Commission staff to prevent abuse of the cooperative exemption. In addition, this collection relates to information that the Commission needs to monitor elections of the cooperative exemption and to assess market risks.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.² On July 31, 2025, the Commission published in the **Federal Register** notice of the proposed extension of this information collection and provided 60 days for public comment on the proposed extension, 90 FR 36028 (“60-Day Notice”). The Commission did not receive any comments on the 60-Day Notice.

Burden Statement: The Commission anticipates that there will continue to be approximately 25 eligible respondents and the hourly burden will remain the same. The respondent burden for this collection is estimated to be as follows:

Estimated Number of Respondents: 25.

Estimated Average Burden Hours per Respondent: 1 hour.

Estimated Total Annual Burden Hours: 25 hours.

Frequency of Collection: On occasion; annually.

There are no capital costs or operating and maintenance costs associated with this collection.

(Authority: 44 U.S.C. 3501 *et seq.*)

Dated: December 1, 2025.

Deputy Secretary of the Commission.
