SUPPLEMENTARY INFORMATION: In
accordance with the Paperwork
Reduction Act of 1995 (PRA, 44 U.S.C.
3501 *et seq.*) and 5 CFR 1320.8(d)(1), all
information collections require approval
under the PRA. As part of our
continuing effort to reduce paperwork
and respondent burdens, we invite the
public and other Federal agencies to
comment on new, proposed, revised,

collection requirements and provide the
requested data in the desired format.

We are especially interested in public
comment addressing the following:

(1) Whether or not the collection of
information is necessary for the proper
performance of the functions of the
agency, including whether or not the
information will have practical utility.

(2) The accuracy of our estimate of the
burden for this collection of
information, including the validity of
the methodology and assumptions used.

(3) Ways to enhance the quality,
utility, and clarity of the information to
be collected.

(4) How might the agency minimize
the burden of the collection of
information on those who are to
respond, including through the use of
appropriate automated, electronic,
mechanical, or other technological
collection techniques or other forms of
information technology, *e.g.*, permitting
electronic submission of response.

Comments that you submit in
response to this notice are a matter of
public record. We will include or
summarize each comment in our request
to OMB to approve this ICR. Before
including your address, phone number,
email address, or other personal
identifying information in your
comment, you should be aware that
your entire comment—including your
personal identifying information—may
be made publicly available at any time.
While you can ask us in your comment
to withhold your personal identifying
information from public review, we
cannot guarantee that we will be able to
do so.

Abstract: The National Register of
Historic Places (NRHP) is the official
Federal list of districts, sites, buildings,
structures, and objects significant in
American history, architecture,
archeology, engineering, and culture.
National Register properties have
significance to the history of
communities, States, Tribes, or the
Nation. The National Historic
Preservation Act of 1966 requires the

Secretary of the Interior to maintain and expand the National Register, and to establish criteria and guidelines for including properties on the National Register. National Register properties must be considered in the planning for Federal or federally assisted projects and listing in the National Register is required for eligibility for Federal rehabilitation tax incentives.

The NPS is responsible for administering the National Register. Nominations for listing historic properties come from State Historic Preservation Officers (SHPO), from Federal Preservation Officers (FPO) for properties owned or controlled by the United States Government, and from Tribal Historic Preservation Officers (THPO) for properties on Tribal lands. Private individuals and organizations, local governments, and Tribes often initiate this process and prepare the necessary documentation. Regulations at 36 CFR part 60 and 63 establish the criteria and guidelines for listing and for determining the eligibility of properties.

Title of Collection: Nomination of Properties for Listing in the National Register of Historic Places.

OMB Control Number: 1024-0018.

Form Number: 10-900, 10-900-a, and 10-900-b.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Public: Individuals, Private Sector, Tribes, and Government.

Total Estimated Number of Annual Respondents: 2,552.

Total Estimated Number of Annual Responses: 1,276.

Estimated Completion Time per Response: Varies from 6 hours to 250 hours, depending on respondent and/or activity.

Total Estimated Number of Annual Burden Hours: 163.328 hours.

Respondent's Obligation: Required to obtain or retain a benefit.

Frequency of Collection: On occasion.

Total Estimated Annual Non Hour Burden Cost: None.

An agency may not conduct, or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

*Information Collection Clearance Officer,
National Park Service.*
