**SUPPLEMENTARY INFORMATION:** The NPS SRC program is authorized under section 808 of the Alaska National Interest Lands Conservation Act (16 U.S.C. 3118). The SRCs hold meetings to develop NPS subsistence program recommendations and advise on related regulatory proposals and resource management issues.

Each SRC is composed of nine members: (a) three members appointed by the Secretary of the Interior; (b) three members appointed by the Governor of the State of Alaska; and (c) three members appointed by a Regional Advisory Council (RAC), established pursuant to 16 U.S.C. 3115, which has jurisdiction within the area in which the park is located. All those interested in serving as members, including current members whose terms are expiring, must follow the same nomination process.
