five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.[1] Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act (19 U.S.C. 1675(c)(3)).[2]

For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Staff report.—A staff report containing information concerning the subject matter of the reviews has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for these reviews on January 9, 2026. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in § 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,[3] and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before January 15, 2026 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by January 15, 2026. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures,* available on the Commission's website at *https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf,* elaborates upon the Commission's procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.— The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.

By order of the Commission.

Issued: December 5, 2025.

Lisa Barton,

Secretary to the Commission.

SUPPLEMENTARY INFORMATION: The Department of Labor, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the OMB for final approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

The Department of Labor's Veterans' Employment and Training Service (VETS) administers funds for the Jobs for Veterans State Grant (JVSG) to each state, the District of Columbia, Puerto Rico, Guam, and the U.S. Virgin Islands on an annual fiscal year basis. These non-competitive, formula-driven grants are codified under Title 38, United States Code, (38 U.S.C.) Section 4102A(b)(5):

''Subject to subsection (c) make available for use in each state by grant or contract such funds as may be

necessary to support—(A) disabled veterans' outreach program specialists appointed under section 4103A(a)(1) of this title, (B) local veterans' employment representatives assigned under section 4104(b) of this title, and (C) the reasonable expenses of such specialists and representatives described in subparagraphs (A) and (B), respectively, for training, travel, supplies, and other business expenses . . .''

Conditions for the receipt of funds are outlined in Section 4102A(c)(2)(A):

''A State shall submit to the Secretary an application for a grant or contract under subsection (b)(5). The application shall contain the following information:

(i) A plan that describes the manner in which the State shall furnish employment, training, and placement services required under this chapter for the program year, including a description of—(I) duties assigned by the State to disabled veterans' outreach program specialists and local veterans' employment representatives consistent with the requirements of sections 4103A and 4104 of this title; (II) the manner in which such specialists and representatives are integrated in the employment service delivery systems in the State; and (III) the program of performance incentive awards described in section 4112 of this title in the State for the program year.

(ii) The veteran population to be served.''

In addition, Section 4102A(f) requires performance accountability for services provided under the JVSG, and VETS has determined that states' performance goals for participant outcomes are an appropriate component of the state plan.

This ICR collects the required information for the submission of JVSG State Plans and Modifications. The information covered includes the state's plan for furnishing employment, training, and placement services under 38 U.S.C. Chapter 41, including their performance goals for Disabled Veterans Outreach Program staff services to eligible veterans and other eligible persons.

This information collection is subject to the Paperwork Reduction Act (PRA). A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

The DOL seeks PRA authorization for this information collection for three years. OMB authorization for an Information Collection Review cannot be for more than three years without renewal.
