Notice of Intended Repatriation: Museum of Riverside, Riverside, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Museum of Riverside intends to repatriate a certain cultural item that meets the definition of an unassociated funerary object and that has a cultural affiliation with the Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the cultural item in this notice may occur on or after January 20, 2026.

ADDRESSES: Send additional, written requests for repatriation of the cultural item in this notice to Robyn G. Peterson, Museum of Riverside, 3900 Main Street Riverside, CA 92552, email RPeterson@RiversideCA.gov.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Museum of Riverside, and additional information on the determinations in this notice, including the results of consultation, can be found in the summary or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

A total of one cultural item has been requested for repatriation. The one unassociated funerary object is a string of shell beads. Necklace or shell money of black, brown, gray and seven white shell beads (average diameter 3 mm) on cotton string (straight length 180 cm). There is one triangular green bead (5 mm per side) and one large shell ring (length 1.7 cm; width 1.3 cm), which was broken and reattached with adhesive. Old card says there are 1,441 beads. One shell was broken and repaired. Portions of the necklace

appear to be burned. The object was removed by Mrs. John Ray Gabbert (Elizabeth Gordon Gabbert) from Victorville Dunes of San Bernardino County, California donated to the Museum of Riverside on August 24, 1971.

Determinations

The Museum of Riverside has determined that:

- The one unassociated funerary object described in this notice is reasonably believed to have been placed intentionally with or near human remains, and are connected, either at the time of death or later as part of the death rite or ceremony of a Native American culture according to the Native American traditional knowledge of a lineal descendant, Indian Tribe, or Native Hawaiian organization. The unassociated funerary objects have been identified by a preponderance of the evidence as related to human remains, specific individuals, or families, or removed from a specific burial site or burial area of an individual or individuals with cultural affiliation to an Indian Tribe or Native Hawaiian organization.

- There is a connection between the cultural item described in this notice and the Yuhaaviatam of San Manuel Nation (*previously* listed as San Manuel Band of Mission Indians, California).

Requests for Repatriation

Additional, written requests for repatriation of the cultural item in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural item in this notice to a requestor may occur on or after January 20, 2026. If competing requests for repatriation are received, the Museum of Riverside must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural item are considered a single request and not competing requests. The Museum of Riverside is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.

Authority: Native American Graves Protection and Repatriation Act, 25

U.S.C. 3004 and the implementing regulations, 43 CFR 10.9.

Dated: December 4, 2025.

Melanie O'Brien,

Manager, National NAGPRA Program.

Notice of Inventory Completion: University of Florida—Florida Museum of Natural History, Gainesville, FL

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the University of Florida—Florida Museum of Natural History (FLMNH) has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after January 20, 2026.

ADDRESSES: Send written requests for repatriation of the human remains and associated funerary objects in this notice to David Blackburn, University of Florida, Florida Museum of Natural History, 1659 Museum Road, Gainesville, FL 32611, email NagpraOffice@floridamuseum.ufl.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the University of Florida—Florida Museum of Natural History, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Safford Mound (8PI3) (Acc. 4515) is a burial mound from Pinellas County. Safford Mound was first identified in 1883, as a mound located on the east side of the most northern point of Eagle
