AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Based on affirmative final determinations by the U.S. Department of Commerce (Commerce) and U.S. International Trade Commission (ITC), Commerce is issuing countervailing duty (CVD) orders on certain corrosion-resistant steel products (CORE) from Brazil, Canada, Mexico, and the Socialist Republic of Vietnam (Vietnam).

SUPPLEMENTARY INFORMATION:

Background

On August 29, 2025, Commerce published in the *Federal Register* its affirmative final determinations in the CVD investigations of CORE from Brazil, Canada, Mexico, and Vietnam.¹ On November 28, 2025, the ITC notified Commerce of its final determinations, pursuant to sections 705(d) of the Tariff Act of 1930, as amended (the Act), that an industry in the United States is materially injured within the meaning of section 705(b)(1)(A)(i) of the Act by

reason of imports of CORE from Brazil, Canada, Mexico, and Vietnam.²

Scope of the Orders

The products covered by these orders are CORE from Brazil, Canada, Mexico, and Vietnam. For a full description of the scope of these orders, see the appendix to this notice.

Countervailing Duty Orders

Based on the affirmative final determinations by the ITC that an industry in the United States is materially injured by reason of subsidized imports of CORE from Brazil, Canada, Mexico, and Vietnam,³ in accordance with sections 705(c)(2) and 706(a) of the Act, Commerce is issuing these CVD orders. Because the ITC determined that imports of CORE from Brazil, Canada, Mexico, and Vietnam are materially injuring a U.S. industry, unliquidated entries of such merchandise entered, or withdrawn from warehouse, for consumption, are subject to the assessment of countervailing duties.

Therefore, in accordance with section 706(a) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instructions by Commerce, countervailing duties on certain unliquidated entries of CORE from Brazil, Canada, Mexico, and Vietnam, that were entered, or withdrawn from warehouse, for consumption on or after February 10, 2025, the date of publication of the *Preliminary Determinations*,⁴ but will not include entries occurring after the expiration of the provisional measures period and before the publication of the ITC's final injury determination under section

² See ITC's Letter, "Notification of ITC Final Determinations," dated November 28, 2025.
