[Notice—MA—2025—19; Docket No. 2025—0002; Sequence No. 17]

Revision to Foreign Gifts and Decorations Minimal Value

AGENCY: Office of Government-Wide Policy (OGP), General Services Administration (GSA).

ACTION: Notice of GSA Bulletin FMR B-2025-01, Foreign Gifts and Decorations Minimal Value.

SUMMARY: GSA, in consultation with the U.S. Department of State, must redefine the minimal value of foreign gifts and decorations to reflect changes in the Consumer Price Index (CPI) for the preceding 3-year period, as specified under the law concerning the Receipt and Disposition of Foreign Gifts and Decorations. The minimal value was last defined effective January 1, 2023, and must be redefined effective as of January 1, 2026. This bulletin cancels FMR Bulletin B-54, “Foreign Gift and Decoration Minimal Value,” issued April 25, 2023, as this bulletin provides updated information on the same topic.

DATES: *Applicability Date:* January 1, 2026. This notice applies to foreign gifts and decorations received on or after January 1, 2026.

SUPPLEMENTARY INFORMATION:

Background

Foreign gifts and decorations above the GSA-defined minimal value are handled differently than lesser-valued foreign gifts and decorations under the provisions of 5 U.S.C. 7342 and Federal Management Regulation (FMR) Part 102-42.

Foreign gifts and decorations above the minimal value become the property

of the Federal Government and must be reported to GSA for disposal if not immediately needed by the agency for official purposes. Additionally, those items initially retained by the agencies for official use are reported to GSA upon termination of official use.

The foreign gifts and decorations minimal value was last redefined effective January 1, 2023, at \$480.00, and therefore, must be redefined as of January 1, 2026, to reflect the CPI increase of 8.99 percent for the preceding three years.

Pursuant to FMR § 102-42.10, the approved revised minimal value will be published in an FMR Bulletin posted on OGP’s website (www.gsa.gov/foreigngifts).

Calculations using the consumer prices over the past three years show that the minimal value must increase 8.99 percent, or \$43.15, from its current \$480.00. As in previous years, GSA is rounding the amount to the nearest five dollar increments.

Therefore, GSA is adjusting the new minimal value to \$525.00. Per FMR § 102-42.10, an agency may, by regulation, specify a lower value than this Government-wide value for its agency employees.

Calendar Year (CY) 2026 Privately Owned Vehicle (POV) Mileage Reimbursement Rates; CY 2026 Standard Mileage Rate for Moving Purposes

AGENCY: Office of Government-Wide Policy (OGP), General Services Administration (GSA).

ACTION: Notice.

SUMMARY: GSA is updating the mileage reimbursement rate for privately owned automobiles (POA), airplanes, and motorcycles as required by statute. This information will be available in FTR Bulletin 26-02, which can be found on GSA’s website at <https://gsa.gov/ftbulletins>.

DATES: *Applicability date:* This notice applies to travel and relocation performed on or after January 1, 2026, through December 31, 2026.

FOR FURTHER INFORMATION CONTACT: For clarification of content, please contact Mr. Alexander Kurien, Deputy Associate Administrator, Office of Government-wide Policy, at 202-495-9628, or by email at travelpolicy@gsa.gov. Please cite Notice of FTR Bulletin 26-02.

SUPPLEMENTARY INFORMATION: GSA is required by statute to set the mileage reimbursement rate for privately owned automobiles (POA) as the single standard mileage rate established by the Internal Revenue Service (IRS). The IRS mileage rate for medical or moving purposes is used to determine the POA rate when a Government-furnished automobile is available and authorized and also represents the privately owned vehicle (POV) standard mileage reimbursement rate for official relocation.

Finally, GSA conducts independent reviews of the cost of travel and the operation of privately owned airplanes and motorcycles on an annual basis to determine their corresponding mileage reimbursement rates. These reviews evaluate various factors, such as the cost of fuel, depreciation of the original vehicle cost, maintenance and insurance, state and Federal taxes, and consumer price index data. FTR Bulletin 26-02 establishes and announces the new CY 2026 POV mileage reimbursement rates for official temporary duty and relocation travel.

This notice is the only notification to agencies of revisions to the POV mileage rates for official travel and relocation, in addition to the changes posted on GSA’s website at <https://gsa.gov/mileage>.

Associate Administrator, Office of Government-wide Policy.
