

collection techniques or other forms of information technology.

*Proposed Collection Title:* Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery (NCI), 0925–0642, Expiration Date 03/31/2026, EXTENSION, National Cancer Institute (NCI), National Cancer Institute of Health (NIH).

*Need and Use of Information Collection:* This activity collects qualitative customer and stakeholder

feedback efficiently and timely, per the Administration’s commitment to improving service delivery. This generic provides information about the National Cancer Institute’s customer or stakeholder perceptions, experiences, and expectations provides an early warning of service issues, or focuses on areas where communication, training, or operations changes might improve product or service delivery. It also allows feedback to contribute directly to

the improvement of program management. Feedback collected under this generic clearance provides valuable information but will not yield data that can be generalized to the overall population.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total estimated annualized burden hours are 9,337 hours.
