**SUPPLEMENTARY INFORMATION:****I. Abstract**

This is a request for renewal of an approved information collection. The National Marine Fisheries Service (NMFS), Office of Sustainable Fisheries (OSF) is the sponsor for this request. The Magnuson Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act) authorize the establishment of eight Regional Fishery

Management Councils to manage fisheries within regional jurisdictions. Section 302(j) of the Magnuson-Stevens Act requires that affected individuals, including Council members appointed by the Secretary of Commerce, Scientific and Statistical Committee (SSC) members appointed by a Council, and individuals nominated by the State Governor, Territorial Governor or Tribal Government for possible appointment as a Council member (50 CFR 600.235), must disclose their financial interest in any Council fishery. Financial interests include harvesting, processing, lobbying, advocacy, or marketing activity that is being, or will be, undertaken within any fishery over which the Council concerned has jurisdiction. Information on financial interests must be disclosed on NOAA Form 88–195, Statement of Financial Interests, under OMB collection 0648–0192. The information collected is used to assess potential conflicts of interest and to make determinations about when recusals from Council voting decisions are necessary to avoid such conflicts. NMFS and Council offices are required to maintain current Statement of Financial Interests forms on file that are publicly available for transparency.
