Certain Uncoated Paper From Brazil: Final Results of Antidumping Duty Administrative Review; 2023-2024

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that Suzano S.A. (Suzano) made sales of subject merchandise at prices below normal value (NV) during the period of review (POR) March 1, 2023, through February 29, 2024.

DATES: Applicable January 21, 2026.

FOR FURTHER INFORMATION CONTACT: Brittany Bauer, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone (202) 482-3860.

SUPPLEMENTARY INFORMATION:

Background

On July 10, 2025, Commerce published the *Preliminary Results* and invited parties to comment.¹ No interested party submitted comments on the *Preliminary Results*. Commerce made no changes from the *Preliminary Results*, which are herein adopted as the final results of review. Additionally, because these final results remain unchanged from the *Preliminary Results*, no memorandum accompanies this notice. Commerce conducted this review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Scope of the Order²

The merchandise covered by the *Order* is uncoated paper from Brazil. For a complete description of the scope of the *Order*, see the *Preliminary Results* PDM.

Final Results of Review

We determine that the following weighted-average dumping margin exists for the POR, March 1, 2023, through February 29, 2024:

| Exporter/producer | Weighted-average dumping margin (percent) |
|-------------------|---|
| Suzano S.A | 14.42 |

Disclosure

Because we made no changes to the calculations performed in connection

¹ See *Certain Uncoated Paper from Brazil: Preliminary Results and Rescission, in Part, of Antidumping Duty Administrative Review; 2023-2024*, 90 FR 30625 (July 10, 2025) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum (PDM).

² See *Certain Uncoated Paper from Australia, Brazil, Indonesia, the People's Republic of China, and Portugal: Amended Final Affirmative Antidumping Determinations for Brazil and Indonesia and Antidumping Duty Orders*, 81 FR 11174 (March 3, 2016) (*Order*).

with the *Preliminary Results*, there are no new calculations to disclose in accordance with 19 CFR 351.224(b) for these final results.

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.

Because Suzano's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent), we calculated importer-specific *ad valorem* assessment rates based on the ratio of the total amount of dumping calculated for the examined sales to the total entered value of the sales. Where an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Consistent with Commerce's assessment practice, for entries of subject merchandise during the POR produced by Suzano for which it did not know the merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.³

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Suzano will be the rate established in the final results of this administrative review; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this

³ For a full discussion of this practice, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).
