Abstract: The Energy Policy Act of 2005 authorizes the Secretary of the Interior to provide grants to Indian Tribes for energy development and appropriates funds for such grants on a year-to-year basis. See 25 U.S.C. 3502 (a)(2)(B). When funding is available, the Division of Energy and Mineral Development (DEMD) may solicit applications for energy development projects from Indian Tribes whose lands are held in trust or restricted fee by the Federal Government under the Energy and Mineral Development Program (EMDP). Indian Tribes that would like to apply for an EMDP grant must submit an application that includes certain information, and once funding is received, recipients must submit reports on how they are using the funding.
