## 8. Protection of Privileged, Personal, or Confidential Information

### a. Freedom of Information Act

BOEM will protect privileged or confidential information that you submit when required by the FOIA. Exemption 4 of FOIA applies to trade secrets and commercial or financial information that is privileged or confidential. If you wish to protect the confidentiality of such information, clearly label it and request that BOEM treat it as confidential. BOEM will not disclose such information if BOEM determines under FOIA, and the Department and BOEM regulations (see 30 CFR 581.7) that it qualifies for exemption from disclosure under FOIA. Please label privileged or confidential information "Contains Confidential Information" and consider submitting such information as a separate attachment.

BOEM will not treat as confidential any aggregate summaries of such information or comments not containing such privileged or confidential information. Information that is not labeled as privileged or confidential may be regarded by BOEM as suitable for public release.

### b. Personally Identifiable Information

BOEM encourages you not to submit anonymous comments. Please include your name and address as part of your comment. For BOEM to consider withholding your PII from disclosure, you must identify any information contained in your comments that, if released, would constitute a clearly unwarranted invasion of your personal privacy. You must also briefly describe any possible harmful consequences of the disclosure of information, such as embarrassment, injury, or other harm. Even if BOEM withholds your information in the context of this RFI, your submission is subject to FOIA and, if your submission is requested under FOIA, your information will be withheld only if a determination is made that one of FOIA's exemptions to disclosure applies. Such a determination will be made in accordance with the Department's FOIA regulations and applicable law.

### c. Section 304 of the National Historic Preservation Act (NHPA) (54 U.S.C. 307103(a))

After consultation with the Secretary, BOEM is required to withhold the location, character, or ownership of historic resources if it determines that disclosure may, among other things, risk harm to the historic resources or impede the use of a traditional religious site by practitioners. Indigenous Peoples, communities, and organizations should designate information that falls under

**SUPPLEMENTARY INFORMATION:** Section 337 of the Tariff Act of 1930 provides that, if the Commission finds a violation, it shall exclude the articles concerned from the United States unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly

The Commission is soliciting submissions on public interest issues raised by the recommended relief should the Commission find a violation, specifically: a general exclusion order or a limited exclusion order directed to certain wireless front-end modules and devices containing the same imported, sold for importation, and/or sold after importation by respondents Kangxi Communication Technologies (Shanghai) Co., Ltd. of Shanghai, China; Grand Chip Labs, Inc. of Tustin, California; and Ruijie Networks Co., Ltd. of Fuzhou, China (collectively, "Respondents"); and cease and desist orders directed to each of the Respondents. (v) explain how the recommended orders would impact consumers in the United States.
