Agency Information Collection Activities; Proposed Collection; Comment Request; Extension: Securities Act Rule 477

From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 477 (17 CFR 230.477) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) sets forth procedures for withdrawing a registration statement, including any amendments or exhibits to the registration statement. The rule provides that a registrant must sign any application for withdrawal and must state fully in it the grounds on which the registrant makes the application. The rule further provides that the registrant must state in the application that no securities were sold in connection with the offering. Rule 477's information collection requirements help to ensure that the Commission has sufficient information regarding a registrant's application to withdraw a registration statement to determine whether to grant such application (based on whether such withdrawal is consistent with the public interest and the protection of investors). We estimate that approximately 548 registrants file a withdrawal application under Rule 477, once per year each, for a total estimate of 548 responses annually. We estimate that Rule 477 requires one burden hour per response for a total annual burden of approximately 548 hours. We estimate that registrants carry 100% of
