SUPPLEMENTARY INFORMATION:

I. Background

The National Defense Authorization Act for Fiscal Year. 2008, Public Law (Pub. L.) 110-181, was enacted on January 28, 2008. Section 1105 of Public Law 110-181 amended the Federal Employees' Compensation Act (FECA) creating a new section, 5 U.S.C. 8102a effective upon enactment. This section establishes a FECA death gratuity benefit of up to \$100,000 for eligible beneficiaries of federal employees and Non-Appropriated Fund Instrumentality (NAFI) employees who die from injuries incurred in connection with service with an Armed Force in a contingency operation. 5 U.S.C. § 8102a also permits agencies to authorize retroactive payment of the death gratuity for employees who died on or after October 7, 2001, in service with an Armed Force in the theater of operations of Operation Enduring Freedom and Operation Iraqi Freedom. 5 U.S.C. 8102a also allows federal employees to vary the order of precedence of beneficiaries or to name alternate beneficiaries. 20 CFR 10.909 and 10.911 provide that Forms CA-40, CA-41, and CA-42 are the forms to be used to designate beneficiaries and initiate the payment process for death gratuity benefits. Effective December 2011, employing agencies are required to notify a spouse if a federal employee has designated all or a portion of the death gratuity to someone other than that spouse. See 5 U.S.C. 8145 and 8149 and Section 1121 of Public Law 112-81.

See: <https://www.dol.gov/owcp/dfec/regs/statutes/feca.htm>.

Form CA-40 is an optional form that requests the information necessary from the employee to accomplish this variance and to name alternate beneficiaries only if the employee wishes to do so. Form CA-41 provides the means for those named beneficiaries and possible recipients to file claims for those benefits and requests information from such claimants so that OWCP may determine their eligibility for payment. Further, the statute and regulations require agencies to notify OWCP immediately upon the death of a covered employee. Form CA-42 provides the means to accomplish this notification and requests information necessary to administer any claim for benefits resulting from such a death.

II. Desired Focus of Comments

Employment Information. OWCP/DFEC is particularly interested in comments that:

- Evaluate the accuracy of OWCP/DFEC's estimate of the burden related to the information collection, including the validity of the methodology and assumptions used in the estimate;

- *Minimize the burden of the information collection on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.*
