**SECURITIES AND EXCHANGE COMMISSION**

[Release No. 34-104758; File No. SR-CboeBYX-2026-002]

**Self-Regulatory Organizations; Cboe BYX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Exchange Rule 11.9(f) (“Match Trade Prevention (“MTP”) Modifiers) To Revise the Definition of Unique Identifier**

January 30, 2026.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on January 28, 2026, Cboe BYX Exchange, Inc. (the “Exchange” or “BYX”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>3</sup> and Rule 19b-4(f)(6) thereunder.<sup>4</sup> The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

**I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change**

Cboe BYX Exchange, Inc. (the “Exchange” or “BYX”) proposes to amend Exchange Rule 11.9(f) (“Match Trade Prevention (“MTP”) Modifiers”) to revise the definition of Unique Identifier. The Exchange has designated this proposal as non-controversial pursuant to Rule 19b-4(f)(6)(iii) under the Act.<sup>5</sup> The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Commission’s website (<https://www.sec.gov/rules/sro.shtml>), the Exchange’s website ([https://www.cboe.com/us/equities/regulation/rule\\_filings/bzx/](https://www.cboe.com/us/equities/regulation/rule_filings/bzx/)), and at the principal office of the Exchange.

**II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed

any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

**A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change****1. Purpose**

The Exchange proposes to amend Rule 11.9(f) (“Match Trade Prevention (“MTP”) Modifiers”) by revising the definition of Unique Identifier. This proposed change is a result of User feedback and implementation difficulties that the Exchange has encountered while trying to apply MTP based on current Rule 11.9(f), which requires Users<sup>6</sup> to have the same Unique Identifier on each order. As discussed *infra*, the current rule text provides that a Unique Identifier may originate from a specific set of User characteristics. The Exchange now seeks to revise the definition of Unique Identifier and instead provide for three situations in which a Unique Identifier may be generated. The Exchange believes this change would allow for more flexibility in determining which Users are issued a Unique Identifier without compromising the purpose of Rule 11.9(f) and match trade prevention generally. Additionally, the Exchange proposes to include rule text that provides that a User requesting a Unique Identifier pursuant to item (iii) of Rule 11.9(f) must complete an Exchange-provided attestation. The Exchange emphasizes that MTP is entirely optional and is not required. As is the case with the existing risk tools, Users, and not the Exchange, have full responsibility for ensuring that their orders comply with applicable securities rules, laws, and regulations. Furthermore, as is the case with the existing risk settings, the Exchange does not believe that the use of the proposed MTP functionality can replace User-managed risk management solutions.

Currently, any incoming order designated with an MTP modifier will

<sup>6</sup> See Exchange Rule 1.5(cc). “User” is defined as “any Member or Sponsored Participant who is authorized to obtain access to the System pursuant to Rule 11.3.” The “System” is “the electronic communications and trading facility designated by the Board through which securities orders of Users are consolidated for ranking, execution and, when applicable, routing away.” See Exchange Rule 1.5(aa). The term “Member” means any registered broker or dealer that has been admitted to membership in the Exchange. See Exchange Rule 1.5(n).
