[Docket No. NJ26–1–000]

#### City of Banning, California; Notice of Filing

Take notice that on December 11, 2025, City of Banning, California submits tariff filing per 35.28(e): City of Banning 2026 Transmission Revenue Balancing Account Adjustment and Existing Transmission Contracts Update to be effective January 1, 2026.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

In addition to publishing the full text of this document in the **Federal Register**, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the internet through the Commission's Home Page (<http://www.ferc.gov>). [Project No. 2237–036]

#### Georgia Power Company; Notice of Availability of Environmental Assessment

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission's (Commission or FERC) regulations, 18 CFR part 380, Commission staff reviewed Georgia Power Company's application for non-project use of project lands and waters to establish a commercial dredging operation at the Morgan Falls Hydroelectric Project No. 2237 and have prepared an Environmental Assessment (EA) for the project.<sup>1</sup> The licensee proposes to allow River Sand Incorporated to use and occupy project lands and waters in order to establish a commercial dredging operation inside the project boundary at the previous location of Ace Sand. The Morgan Falls project is located on the Chattahoochee River and partially occupies federal lands managed by the National Park Service.

The EA contains Commission staff's analysis of the potential environmental effects of the proposed commercial dredging operation, alternatives to the proposed action, and concludes that the proposed commercial dredging operation, with appropriate environmental protective measures, would not constitute a major federal
