SUPPLEMENTARY INFORMATION: DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the Office of Management and Budget (OMB) for final approval. These factors combined to limit the number of participants eligible for the allotment, resulting in fewer respondents for this collection.

In accordance with 5 CFR 1320, the Department is seeking approval for data collection to obtain necessary information from Job Corps students with dependents if they wish to make an allocation for their beneficiary.
