

Amended Final Results

Because there is now a final court judgment, Commerce is amending its *Final Results* with respect to Co May as follows: (1) we now find that Co May's sale was not *bona fide*, and (2) we are, accordingly, rescinding the 2022–2023 new shipper review.

Cash Deposit Requirements

Because we are rescinding this new shipper review, Co May is no longer eligible for separate rate consideration. Accordingly, Commerce is treating Co May as part of the Vietnam-wide entity and is revising the cash deposit rate for Co May. As such, the Vietnam-wide entity rate of \$2.39 per kilogram will now apply to Co May. Commerce will issue revised cash deposit instructions to U.S. Customs and Border Protection (CBP).

Liquidation of Suspended Entries

At this time, Commerce remains enjoined by CIT order from liquidating entries that: were exported by Co May, and were entered, or withdrawn from warehouse, for consumption during the period August 1, 2022, through January 31, 2023. These entries will remain enjoined pursuant to the terms of the injunction during the pendency of any appeals process.

In the event the CIT's ruling is not appealed, or, if appealed, upheld by a final and conclusive court decision, Commerce intends to instruct CBP to assess antidumping duties on unliquidated entries of subject merchandise exported by Co May in accordance with 19 CFR 351.212(b). We will instruct CBP to assess duties on all appropriate entries covered by this review at the Vietnam-wide rate of \$2.39 per kilogram.

We are rescinding this administrative review with respect to Suzano S.A. (Suzano) because all review requests for the company have been withdrawn. Additionally, we are rescinding this administrative review with respect to Sylvamo do Brasil Ltda. and Sylvamo Exports Ltda. (collectively, Sylvamo), as it had no reviewable entries of subject merchandise during the POR.

DATES: Applicable February 12, 2026.

review with respect to imports of uncoated paper from Brazil in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).⁴

On June 5, 2025, Commerce placed on the record U.S. Customs and Border Protection (CBP) entry data for the companies subject to the review.⁵ On June 12, 2025, Sylvamo filed comments on these entries stating that none of the shipments were attributable to Sylvamo.⁶

On July 28, 2025, Suzano withdrew its request for a review of itself.⁷ Also on July 28, 2025, the petitioner withdrew its review request with respect to Suzano.⁸ On January 9, 2026, Commerce issued a notice of intent to rescind the 2024–2025 administrative review with respect to Sylvamo and invited interested parties to comment.⁹ No party filed comments in opposition and Sylvamo filed comments in agreement with the Notice of Intent to Rescind.¹⁰

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.¹¹ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.¹² Accordingly the deadline for the preliminary results of this review is now February 9, 2026.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in

part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. As noted above, on July 28, 2025, the petitioner and Suzano both withdrew their request for review regarding Suzano. Because the request for review of Suzano was timely withdrawn from the petitioner and Suzano, and because no other party requested a review of Suzano, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review for the company.

Additionally, pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of an AD order when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.¹³ Normally, upon completion of an administrative review, the suspended entries are liquidated at the AD assessment rate for the review period.¹⁴ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the newly calculated AD assessment rate.¹⁵

As noted above, there were no entries of subject merchandise for Sylvamo during the POR. Accordingly, in the absence of suspended entries of subject merchandise during the POR, we are hereby rescinding this administrative review of the company, in accordance with 19 CFR 351.213(d)(3).

Cash Deposit Requirements

As Commerce has proceeded to a final rescission of this administrative review, no cash deposit rates will change. Accordingly, the current cash deposit requirements shall remain in effect until further notice.

Assessment Rates

Commerce will instruct CBP to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in the United States, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this rescission notice in the **Federal Register**.

SUPPLEMENTARY INFORMATION:

Background

On August 24, 2017, Commerce published in the **Federal Register** the

antidumping duty order on finished carbon steel flanges from India.¹ On August 1, 2024, Commerce published a notice of opportunity to request an administrative review of the *Order*.² On September 20, 2024, Commerce initiated an administrative review of the antidumping duty order on finished carbon steel flanges from India, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).³ On November 15, 2024, Commerce selected Norma Group⁴ and R.N. ⁴ In prior segments of this proceeding, we determined that Norma (India) Limited, USK Exports Private Limited, Uma Shanker Khandelwal & Co., and Bansidhar Chiranjilal were affiliated and should be treated as a single entity (Norma Group). See, e.g., *Finished Carbon Steel Flanges from India: Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination*, 82 FR 9719 (February 8, 2017), and accompanying Preliminary Decision Memorandum, at 4–5, unchanged in *Finished Carbon Steel Flanges from India: Final Determination of Sales at Less Than Fair Value*, 82 FR 29483 (June 29, 2017). In this review, Norma (India) Limited and its affiliated entities have affirmed that the factual basis on which Commerce made its prior determinations has not changed.
