Title: COLAs Online Access Request.

TTB Form Number: TTB F 5013.2.

Abstract: To provide consumers with adequate information as to the identity of alcohol beverages and prohibit consumer deception, the FAA Act at 26 U.S.C. 205, and the related TTB regulations in 27 CFR chapter I require alcohol beverage bottlers and importers to apply for Certificates of Label Approval (COLAs) for such products introduced into interstate commerce or released from customs custody.

Additionally, those regulations require domestic bottlers of distilled spirits and wines to apply for COLA exemptions for certain products sold only in intra-State commerce and require domestic bottlers and importers of distilled spirits to apply for approval of distinctive bottles. The vast majority of bottlers and importers complete and submit such applications electronically using TTB's web-based COLAs Online system.

Specific to this information collection, to protect TTB computer systems from cyber threats and misuse, persons desiring to use COLAs Online must first submit and receive TTB approval of a COLAs Online Access Request using the COLAs Online User Registration function or paper form TTB F 5013.2, COLAs Online Access Request. The collected information identifies the COLAs Online access applicant and confirms their authority to act on behalf of a specific alcohol beverage industry member.

Current Actions: There are no program changes to this information collection at this time, and TTB is submitting it for extension purposes only. As for adjustments, due to changes in agency estimates, TTB is increasing the number of annual respondents, responses, and total burden hours associated with this collection.

Title: Reporting, Recordkeeping, and Disclosure Requirements Associated with Proprietary Trading and Certain Interests in and Relationships with Covered Funds. *OMB Control No.:* 1557–0309.

Type of Review: Regular.

Affected Public: Businesses or other for-profit.

Description: This submission covers an existing regulation and involves no change to the regulation or to the

information collection requirements. The OCC requests only that OMB renew its approval of the collection.

Section 13 of the Bank Holding Company (BHC) Act generally prohibits any banking entity from engaging in proprietary trading or from acquiring or retaining an ownership interest in, sponsoring, or having certain relationships with a hedge fund or private equity fund (covered fund), subject to certain exemptions. The exemptions allow certain types of permissible trading and covered fund activities. The initial regulations implementing section 13 became effective on April 1, 2014. Section 44.20(d) and Appendix A of the implementing regulations require certain of the largest banking entities to report to the appropriate agency certain quantitative measurements.

This collection of information was established pursuant to a rule¹ required by the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act), which was enacted on July 21, 2010.² The rule implemented section 619 of the Dodd-Frank Act, which added section 13 of the BHC Act (codified at 12 U.S.C. 1851). The OCC’s version of the rule is codified at 12 CFR part 44. The reporting, recordkeeping, and disclosure requirements associated with the rule permit banking entities and the OCC to enforce compliance with section 13 of the BHC Act and the rule and to identify, monitor, and limit risks of activities permitted under section 13.

Section-by-Section Analysis

Section 44.3(d)(3), regarding excluded liquidity management activities, includes recordkeeping requirements for security, foreign exchange forward, foreign exchange swap, or cross-currency swap transactions.

Section 44.4(b)(3)(i)(A), regarding permitted market making activities, provides that a trading desk or other organizational unit of another banking entity is not a client, customer, or counterparty of a trading desk relying on the market-making exemption if that other entity has trading assets and liabilities of \$50 billion or more unless the trading desk documents how and why a particular trading desk or other organizational unit of the other entity should be treated as a client, customer, or counterparty of the trading desk.

Section 44.4(c)(3)(i) requires a banking entity that relies on the market making presumption of compliance to

make available to the OCC upon request records regarding (1) any limit that is exceeded and (2) any temporary or permanent increase to any limit(s), in each case in the form and manner as directed by the OCC.

Section 44.5(c) includes documentation requirements for banking entities that have significant trading assets and liabilities and rely on the risk-mitigating hedging exemption.

Section 44.10(c)(18)(ii)(C)(1) requires a banking entity relying on the exclusion from the covered fund definition for customer facilitation vehicles to maintain documentation outlining how the banking entity intends to facilitate the customer’s exposure to a transaction, investment strategy, or service.

Section 44.11(a)(2) requires a banking entity (or an affiliate thereof) that organizes and offers a covered fund in connection with the provision of *bona fide* trust, fiduciary, investment advisory, or commodity trading advisory services to persons that are customers of such services of the banking entity (or an affiliate thereof) to organize and offer the fund pursuant to a written plan or similar documentation outlining how the banking entity or such affiliate intends to provide advisory or similar services to its customers through organizing and offering such fund.

Section 44.11(a)(8)(i) requires a banking entity that organizes and offers covered funds to make certain disclosures to investors in such funds. This provision also applies to banking entities relying on exclusions for credit funds, venture capital funds, family wealth management vehicles, or customer facilitation vehicles. *See* § 44.10(c)(15)(iii)(A), (c)(16)(ii)(A), (c)(17)(ii)(C), and (c)(18)(ii)(C)(3).

Section 44.12(e) outlines the requirements for requesting an extension of time to divest an ownership interest in a covered fund.

Section 44.20(b) requires a compliance program from banking entities with significant trading assets and liabilities including, among other things, records sufficient to demonstrate compliance with section 13 of the BHC Act and 12 CFR part 44. A banking entity must promptly provide these records to the OCC upon request and retain them for a period of no less than 5 years or such longer period as required by the OCC.

Section 44.20(c) requires a CEO attestation from any banking entity that has significant trading assets and liabilities.

Section 44.20(d) requires a banking entity with significant trading assets and

liabilities (or any other banking entity to which the OCC has provided written notification) to report metrics specified in Appendix A. Section 20(d) further specifies that a banking entity that is required to report these metrics must do so within 30 days of the end of each calendar quarter.

Section 44.20(e) requires a banking entity with significant trading assets and liabilities to maintain additional documentation relating to certain exclusions or exceptions.

Section 44.20(f)(1) provides that a banking entity with no covered activities (other than trading activities permitted pursuant to § 44.6(a) of subpart B) can satisfy the requirements of § 44.20 by establishing the required compliance program prior to becoming engaged in such activities or making such investments.

Section 44.20(f)(2) provides that a banking entity with moderate trading assets and liabilities may satisfy the requirements of § 44.20 by including in its existing compliance policies and procedures appropriate references to the requirements of section 13 of the BHC Act and part 44 and adjustments as appropriate given its activities, size, scope, and complexity.

Section 44.20(i) covers notice and response procedures. The OCC will notify a banking entity in writing of any determination requiring notice under part 44 and will provide an explanation of the determination. The banking entity may respond to the notice and should include any matters that the banking entity would have the OCC consider in deciding whether to make the determination. The response must be in writing and delivered to the designated OCC official within 30 days after the date on which the banking entity received the notice.
