## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-104845; File No. SR-CboeBZX-2026-014]

### Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Fee Schedule

February 13, 2026.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on February 9, 2026, Cboe BZX Exchange, Inc. ("Exchange" or "BZX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to

solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe BZX Exchange, Inc. (the "Exchange" or "BZX") proposes to amend its Fee Schedule to introduce a new fee code and add language to bring the Fee Schedule into compliance with Regulation NMS Rule 610(d), which becomes effective on February 2, 2026. The Exchange also proposes to remove obsolete definitions from the Fee Schedule. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Commission's website (<https://www.sec.gov/rules/sro.shtml>), the Exchange's website ([https://www.cboe.com/us/equities/regulation/rule\\_filings/bzx/](https://www.cboe.com/us/equities/regulation/rule_filings/bzx/)), and at the principal office of the Exchange.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to amend its Fee Schedule applicable to its equities trading platform ("BZX Equities") to introduce a new fee code and add language to bring the Fee Schedule into compliance with Regulation NMS Rule 610(d), which becomes effective on February 2, 2026. The Exchange also proposes to remove obsolete definitions from the Fee Schedule. The Exchange proposes to implement these changes effective February 2, 2026.<sup>3</sup>

On September 18, 2024, the Commission adopted several amendments to Regulation NMS in order to increase the transparency of

exchange fees and rebates.<sup>4</sup> As part of these amendments, the Commission adopted Regulation NMS Rule 610(d), which provides that "[a] national securities exchange shall not impose, nor permit to be imposed, any fee or fees, or provide, or permit to be provided, and rebate or other remuneration, for the execution of an order in an NMS stock that cannot be determined at the time of execution."<sup>5</sup> On October 31, 2025, the Commission granted temporary exemptive relief from compliance with Regulation NMS Rule 610(d).<sup>6</sup> The compliance date for Regulation NMS Rule 610(d) is the first business day of February 2026, which is Monday, February 2, 2026.

Currently, the Exchange establishes certain transaction fees and rebates for equities executions that are based on tiers calculated using volume figures from trading or quoting activity in the current month. This means that the fees and rebates at the Exchange associated with a given equities execution often cannot be determined at the time of execution, but only retroactively at the end of the month in which an execution occurred. In order to ensure that its transaction fees and rebates for equities executions are consistent with Regulation NMS Rule 610(d), the Exchange proposes to add the following language to the "General Notes" section of its Fee Schedule:

- In compliance with Regulation NMS Rule 610(d), effective February 2, 2026, unless otherwise indicated, all volume figures will be derived from quoting or trading activity in the prior month. Consequently, all new Members will receive the base rates in their first month of trading.

This change will ensure that all Exchange participants will be able to ascertain at the time of execution all the transaction fees and rebates associated with the execution of an order of an NMS stock at the Exchange.

Additionally, the Exchange proposes to amend certain definitions found in the Fee Schedule to provide additional clarity to Members regarding certain volume calculations. Specifically, the Exchange proposes to revise the definitions of the terms "OCC Customer
