Additions

If the Committee approves the change to the Procurement List, the entities of the Federal Government identified in this notice will be required to procure the service(s) listed below from nonprofit agencies employing persons who are blind or have other severe disabilities.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on any small entities. The major factors considered for this certification were:

1. The action did not result in any additional reporting, recordkeeping, or other compliance requirements for small entities other than the nonprofit agencies furnishing the services to the Government.

2. The action did result in authorizing nonprofit agencies to furnish the products to the Government.

3. There were no known regulatory alternatives which would have accomplished the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501-8506) in connection with the products added to the Procurement List.
