Summary of the Application

1. The Adviser serves as investment adviser to the Fund pursuant to an investment advisory agreement (the “Advisory Agreement”).¹ The Adviser is responsible for the overall management of the Fund’s business affairs and selecting investments according to the Fund’s investment objectives, policies, and restrictions, subject to the authority of the board of trustees of the Trust (“Board”). The Advisory Agreement permits the Adviser, subject to the approval of the Board, to delegate to one or more unaffiliated subadvisers (each, a “Subadviser” and collectively, the “Subadvisers”) the responsibility to provide the day-to-day portfolio investment management of the Fund, subject to the supervision and direction of the Adviser. The primary responsibility for managing the Fund will remain vested in the Adviser. The Adviser will hire, evaluate, allocate assets to and oversee the Subadvisers, including determining whether a Subadviser should be terminated, at all times subject to the authority of the Board.

2. Applicants request an exemption to permit the Adviser, subject to Board approval, to hire certain Subadvisers pursuant to subadvisory agreements (“Subadvisory Agreements”) and materially amend existing Subadvisory Agreements without obtaining the

¹ Applicants request relief with respect to any existing or future series of the Trust and any other existing or future registered open-end management investment company or series thereof that: (a) is advised by Mission Investment Advisors, or any entity controlling, controlled by or under common control with Mission Investment Advisors or its successors (each, also an “Adviser”); (b) uses the manager-of-managers structure described in the application; and (c) complies with the terms and conditions of the application (any such series, a “Fund” and collectively, the “Funds”). For purposes of the requested order, “successor” is limited to an entity that results from a reorganization into another jurisdiction or a change in the type of business organization.

shareholder approval required under section 15(a) of the Act.²

3. Applicants agree that any order granting the requested relief will be subject to the terms and conditions stated in the application. Such terms and conditions provide for, among other safeguards, appropriate disclosure to Fund shareholders and notification about subadvisory changes and enhanced Board oversight to protect the interests of the Fund’s shareholders.

4. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction or any class or classes of persons, securities, or transactions from any provisions of the Act, or any rule thereunder, if such relief is necessary or appropriate in the public interest and consistent with the protection of investors and purposes fairly intended by the policy and provisions of the Act. Applicants believe that the requested relief meets this standard because, as further explained in the application, the Advisory Agreement will remain subject to shareholder approval, while the role of the Subadvisers is substantially similar to that of individual portfolio managers, so that requiring shareholder approval of Subadvisory Agreements would impose unnecessary delays and expenses on the Fund.

For the Commission, by the Division of Investment Management, under delegated authority.

Sherry R. Haywood,
Assistant Secretary.
