

their total annual airtime conducting on-air fundraising activities that interrupt regular programming for the benefit of third-party non-profit organizations. The Report and Order imposed the following information collection requirements on NCE stations:

Audience disclosure: The information collection requirements contained in 47 CFR 73.503(e)(1) require that a noncommercial educational FM broadcast station that interrupts regular programming to conduct fundraising activities on behalf of third-party non-profit organizations must air a disclosure during such activities clearly stating that the fundraiser is not for the benefit of the station itself and identifying the entity for which it is fundraising. The information collection requirements contained in 47 CFR 73.621(f)(1) require that a noncommercial educational TV broadcast station that interrupts regular programming to conduct fundraising activities on behalf of third-party non-profit organizations must air a disclosure during such activities clearly stating that the fundraiser is not for the benefit of the station itself and identifying the entity for which it is fundraising. The audience disclosure must be aired at the beginning and the end of each fundraising program and at least once during each hour in which the program is on the air.

Retention of information on fundraising activities in local public inspection file: The information collection requirements contained in 47 CFR 73.3527(e)(14) require that each noncommercial educational FM broadcast station and noncommercial educational TV broadcast station that interrupts regular programming to conduct fundraising activities on behalf of a third-party non-profit organization must place in its local public inspection file, on a quarterly basis, the following information for each third-party fundraising program or activity: The date, time, and duration of the fundraiser; the type of fundraising activity; the name of the non-profit organization benefitted by the fundraiser; a brief description of the specific cause or project, if any, supported by the fundraiser; and, to the extent that the station participated in tallying or receiving any funds for the non-profit group, an approximation, to the nearest \$10,000, of the total funds raised. The information for each calendar quarter is to be filed by the tenth day of the succeeding calendar quarter (e.g., January 10 for the quarter October–December, April 10 for the quarter January–March, etc.).

FEDERAL COMMUNICATIONS COMMISSION

[FR ID 332031]

Privacy Act of 1974; Matching Program

AGENCY: Federal Communications Commission.

ACTION: Notice.

SUMMARY: In accordance with the Privacy Act of 1974, as amended (“Privacy Act”), this document announces a new computer matching program the Federal Communications Commission (“FCC” or “Commission” or “Agency”) and the Universal Service Administrative Company (USAC) will conduct with the Wisconsin Department of Health Services (DHS), and the Wisconsin Department of Revenue (DOR). The purpose of this matching program is to verify the eligibility of applicants to and subscribers of Lifeline, and the Affordable Connectivity Program (ACP), both of which are administered by USAC under the direction of the FCC. More information about these programs is provided in the **SUPPLEMENTARY INFORMATION** section below.

DATES: Written comments are due on or before March 27, 2026. This computer matching program will commence on March 27, 2026, and will conclude after 18 months.

ADDRESSES: Send comments to Shana Yates, FCC, 45 L Street NE, Washington, DC 20554, or to Privacy@fcc.gov.

FOR FURTHER INFORMATION CONTACT: Shana Yates at (202) 418–0683 or Privacy@fcc.gov.

SUPPLEMENTARY INFORMATION: The Lifeline program provides support for discounted broadband and voice services to low-income consumers. Lifeline is administered by the Universal Service Administrative Company (USAC) under FCC direction. Consumers qualify for Lifeline through proof of income or participation in a qualifying program, such as Medicaid, the Supplemental Nutritional Assistance Program (SNAP), Federal Public Housing Assistance, Supplemental Security Income (SSI), Veterans and Survivors Pension Benefit, or various Tribal-specific federal assistance programs.

In the Consolidated Appropriations Act, 2021, Public Law 116–260, 134

Stat. 1182, 2129–36 (2020), Congress created the Emergency Broadband Benefit Program, and directed use of the National Verifier to determine eligibility based on various criteria, including the qualifications for Lifeline (Medicaid, SNAP, etc.). EBBP provided \$3.2 billion in monthly consumer discounts for broadband service and one-time provider reimbursement for a connected device (laptop, desktop computer or tablet). In the Infrastructure Investment and Jobs Act, Public Law 117–58, 135 Stat. 429, 1238–44 (2021) (codified at 47 U.S.C. 1751–52), Congress modified and extended EBBP, provided an additional \$14.2 billion, and renamed it the Affordable Connectivity Program (ACP). A household may qualify for the ACP benefit under various criteria, including an individual qualifying for the FCC’s Lifeline program.

In a Report and Order adopted on March 31, 2016, (81 FR 33026, May 24, 2016) (*2016 Lifeline Modernization Order*), the Commission ordered USAC to create a National Lifeline Eligibility Verifier (“National Verifier”), including the National Lifeline Eligibility Database (LED), that would match data about Lifeline applicants and subscribers with other data sources to verify the eligibility of an applicant or subscriber. The Commission found that the National Verifier would reduce compliance costs for Lifeline service providers, improve service for Lifeline subscribers, and reduce waste, fraud, and abuse in the program.

The Consolidated Appropriations Act of 2021 directs the FCC to leverage the National Verifier to verify applicants’ eligibility for ACP. The purpose of this matching program is to verify the eligibility of Lifeline and ACP applicants and subscribers by determining whether they receive SNAP, SSI, and Medicaid benefits administered by the Wisconsin Department of Health Services (DHS), and the Wisconsin Department of Revenue (DOR).

Participating Agencies

Wisconsin Department of Health Services (DHS), and the Wisconsin Department of Revenue (DOR) (source agency); Federal Communications Commission (recipient agency) and Universal Service Administrative Company.

Authority for Conducting the Matching Program

The authority to conduct the matching program for the FCC’s ACP is 47 U.S.C. 1752(a)–(b). The authority to conduct the matching program for the

FCC's Lifeline program is 47 U.S.C. 254(a)–(c), (j).

Purpose(s)

The purpose of this new matching agreement is to verify the eligibility of applicants and subscribers to Lifeline, as well as to ACP and other Federal programs that use qualification for Lifeline as an eligibility criterion. This new agreement will permit eligibility verification for the Lifeline program and ACP by checking an applicant's/ subscriber's participation in SNAP, SSI, and Medicaid in Wisconsin Department of Health Services (DHS), and the Wisconsin Department of Revenue (DOR). Under FCC rules, consumers receiving these benefits qualify for Lifeline discounts and also for ACP benefits.

Categories of Individuals

The categories of individuals whose information is involved in the matching program include, but are not limited to, those individuals who have applied for Lifeline and/or ACP benefits; are currently receiving Lifeline and/or ACP benefits; are individuals who enable another individual in their household to qualify for Lifeline and/or ACP benefits; are minors whose status qualifies a parent or guardian for Lifeline and/or ACP benefits; or are individuals who have received Lifeline and/or ACP benefits.

Categories of Records

The categories of records involved in the matching program include the last four digits of the applicant's Social Security Number, date of birth, first and last name. The National Verifier will transfer these data elements to the Wisconsin Department of Health Services (DHS), and the Wisconsin Department of Revenue (DOR) which will respond either "yes" or "no" that the individual is enrolled in a qualifying assistance program: SNAP, SSI, and Medicaid administered by the Wisconsin Department of Health Services (DHS), and the Wisconsin Department of Revenue (DOR).

System(s) of Records

The records shared as part of this matching program reside in the Lifeline system of records, FCC/WCB–1, Lifeline, which was published in the **Federal Register** at 89 FR 28777 (Apr. 19, 2024).

The records shared as part of this matching program reside in the ACP system of records, FCC/WCB–3, Affordable Connectivity Program, which was published in the **Federal Register** at 89 FR 28780 (Apr. 19, 2024).

Information Collections Being Reviewed by the Federal Communications Commission Under Delegated Authority

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written PRA comments should be submitted on or before April 27, 2026. If you anticipate that you will be submitting comments but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the

information collection, contact Cathy Williams at (202) 418–2918.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060–1133.
Title: Application for Permit to Deliver Programs to Foreign Broadcast Stations (FCC Form 308); 47 CFR 73.3545 and 73.3580.

Form No.: FCC Form 308.

Type of Review: Extension of a currently approved information collection.

Respondents: Business or other for-profit entities.

Number of Respondents and Responses: 26 respondents; 70 responses.

Estimated Time per Response: 0.75 hours–1.5 hours.

Obligation To Respond: Required to obtain or retain benefits. The statutory authority for this collection is contained in Section 325(c) of the Communications Act of 1934, as amended.

Total Annual Burden: 66 hours.

Annual Cost Burden: \$26,681.

Needs and Uses: The Federal Communications Commission ("Commission") is requesting that the Office of Management and Budget (OMB) approve a revision of OMB Control No. 3060–1133 titled, "Application for Permit to Deliver Programs to Foreign Broadcast Stations FCC Form 308"—47 CFR 73.3545 and 73.3580."

The Commission has updated the International Bureau Filing System (IBFS) to allow for filing of electronic forms directly into the system through an integrated web-based program with fillable fields. The integrated web-based program requires the use of an FCC Registration Number (FRN) and includes support for Form 308. Applicants will be required to submit Form 308 through the integrated web-based program. Therefore, this information collection is being revised to reflect the new form format and the addition of a requirement to provide an FRN on the Form. See Mandatory Electronic Filing of Section 325(c) Applications, International Broadcast Applications, and Dominant Carrier Section 63.10(c) Quarterly Reports, FCC 21–87, released on July 13, 2021.

OMB Control No.: 3060–1290.

Title: Application for Voluntary Assignment of Transfers and Controls, 47 CFR 73.3540.

Form No.: FCC Forms 314–IBFS, 315–IBFS, and 316–IBFS.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities; Individuals and Households.
