Title: Generic Clearance for the Collection of Qualitative Feedback for Agency Service Delivery (OMB Control No. 3038–0107). This is a request for an extension of a currently approved information collection.

Abstract: Executive Order 12862 directs Federal agencies to provide service to the public that matches or exceeds the best service available in the private sector. In order to work continuously to ensure that our programs are effective and meet our customers' needs, the Commodity Futures Trading Commission's Office of Customer Education and Outreach (OCEO) seeks to obtain OMB approval of a generic clearance to collect qualitative and quantitative feedback. By feedback we mean information that provides useful insights on perceptions and opinions but are not statistically significant surveys that yield results that can be generalized to the population of study.

This collection of information is necessary to enable the OCEO to garner customer and stakeholder feedback in an efficient and timely manner in accordance with our commitment to improving service delivery. The information collected from our customers and stakeholders will help ensure that users have effective, efficient, and satisfying experiences with OCEO programs. This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative and actionable communications between the OCEO and its customers and stakeholders. It will also allow feedback

to contribute directly to the improvement of program management.

On December 18, 2025, the Commission published in the **Federal Register** notice of the proposed extension of this information collection and provided 60 days for public comment on the proposed extension, 90 FR 59093 (60-Day Notice) The Commission did not receive any relevant comments on the 60-Day Notice.
