Abstract: The Secretary of the Interior, through the Bureau of Indian Education (BIE), is required by the Snyder Act (25 U.S.C. 13), Indian Self-Determination and Education Assistance Act of 1975 (25 U.S.C. 5301), Education Amendments of 1978 (25 U.S.C. 2001), Augustus F. In addition, 25 CFR 43, Maintenance and Control of Student Records in Bureau Schools, contain regulations governing the maintenance, control, and accessibility of student records.

BIE's Student Enrollment Application is utilized by schools operated or funded by BIE. The information is collected by school registrars to determine the student's eligibility for enrollment in a bureau-operated school, and if eligible, is shared with appropriate school officials to identify the student's base and supplemental educational and/or residential program needs. The information is compiled into a national database by the Bureau of Indian Education to facilitate budget requests and the allocation of congressionally appropriated funds.

BIE's Behavioral Health and Wellness Program (BHWP) is focused on providing indigenous focused, evidence-based, and trauma-informed behavioral health and wellness services/resources for students and staff at all Bureau-funded programs, departments, and institutions including Bureau operated schools, Tribally controlled schools, post-secondary institutions, and Tribal colleges and universities.
