IV. Conclusion

This Order gives effect to the Plan filed with the Commission in File No. 4-880. The Parties shall notify all members affected by the Plan of their rights and obligations under the Plan.

It is further ordered that TXSE is relieved of those responsibilities allocated to FINRA under the Plan in File No. 4-880.

SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235-0305]

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Extension: Rule 13e-1

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (SEC or “Commission”) has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below. The Commission also is requesting approval from OMB to designate this existing collection of information (OMB Control No. 3235-0305) as a “common form” for purposes

¹⁶ The Commission also notes that the addition to or deletion from the Certification of any federal securities laws, rules, and regulations for which FINRA would bear responsibility under the Plan for examining, and enforcing compliance by, common members, also would constitute an amendment to the Plan.

of PRA submissions¹ because the Board of Governors of the Federal Reserve System uses this information collection (under OMB Control No. 7100-0091).

Rule 13e-1 (17 CFR 240.13e-1) under the Securities Exchange Act of 1934 (U.S.C. 78 *et seq.*) makes it unlawful for an issuer who has received notice that it is the subject of a tender offer made under Section 14(d)(1) of the Exchange Act to purchase any of its equity securities during the tender offer, unless it first files a statement with the Commission containing information required by the rule. This rule is in keeping with the Commission’s statutory responsibility to prescribe rules and regulations that are necessary for the protection of investors. The information required by Rule 13e-1 is mandatory, and filings made in response to Rule 13e-1 are publicly available on the Commission’s Electronic Data Gathering, Analysis, and Retrieval system. We estimate that it takes approximately 11.25 burden hours per response to provide the information required under Rule 13e-1 and that the information is filed once per year by approximately 1 respondent. We estimate that 25% of the 11.25 hours per response is carried internally by the company for a total annual reporting burden of approximately 3 hours (11.25 hours per response × 25% × 1 response annually). We estimate that 75% of the 11.25 hours per response is carried externally by outside professionals retained by the company at a rate of \$600 per hour for a total annual cost burden of approximately \$5,063 (\$600 per hour × 11.25 hours per response × 75% × 1 response annually).

SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235-0718]

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Extension: Regulation SBSR

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (SEC or “Commission”) is submitting to the Office of Management and Budget (OMB) this request for an extension of the proposed collection of information.

Regulation SBSR consists of ten rules, Rules 900 to 909 under the Exchange Act. Regulation SBSR provides generally for the reporting of security-based swap information to a registered security-based swap data repository (“registered SDRs”) or to the Commission, and for the public dissemination of security-based swap transaction, volume, and pricing information by registered SDRs. Rule 901 specifies, with respect to each reportable event pertaining to covered transactions, who is required to report, what data must be reported, when it must be reported, where it must be reported, and how it must be reported. Rule 901(a)(1) of Regulation SBSR requires a platform to report to a registered SDR a security-based swap executed on such platform that will be submitted to clearing. Rule 901(a)(2)(i) of Regulation SBSR requires a registered clearing agency to report to a registered SDR any security-based swap to which it is a counterparty. Rules 902 to 909 of Regulation SBSR provide additional

details as to how such reporting and public dissemination is to occur.

The Commission estimates that a total of approximately 27,000 entities will be impacted by Regulation SBSR, including registered SDRs, registered security-based swap dealers, registered major securities-based swap participants, registered clearing agencies, platforms, and reporting sides and other market participants. The Commission estimates that the total annual hour burden for Regulation SBSR, for all respondents, is approximately 3,173,444 hours per year. In addition, the Commission estimates that the total annual cost burden for Regulation SBSR for all respondents is approximately \$51,162,200 per year. A detailed break-down of the burdens applicable to each type of entity is provided in the supporting statement.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.

The public may view and comment on this information collection request at: https://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=202512-3235-020 or email comment to MBX.OMB.OIRA.SEC_desk_officer@omb.eop.gov within 30 days of the day after publication of this notice, by April 6, 2026.
