SUPPLEMENTARY INFORMATION:

Title: Voluntary Destruction of Imported Meat, Poultry, and Egg Products.

OMB Number: 0583-0182.

Type of Request: Renewal of an approved information collection.

Abstract: FSIS has been delegated the authority to exercise the functions of the Secretary (7 CFR 2.18 and 2.53), as specified in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601, *et seq.*), the Poultry Products Inspection Act (PPIA) (21 U.S.C. 451, *et seq.*), and the Egg Products Inspection Act (EPIA) (21 U.S.C. 1031, *et seq.*). These statutes mandate that FSIS protect the public by verifying that meat, poultry, and egg products are safe, wholesome, and properly labeled.

FSIS is announcing its intention to request a renewal of the approved information collection regarding the voluntary destruction of imported meat, poultry, and egg products. There are no changes to the existing information collection. The approval for this information collection will expire on July 31, 2026.

Imported meat, poultry, and egg products that do not comply with U.S. requirements are not allowed to enter U.S. commerce and are identified as “U.S. Refused Entry” product. Inspection Program Personnel (IPP) are required to verify that U.S. refused entry product is stored and segregated from other product at an official import inspection establishment until final disposition occurs, or permission to move the shipment is granted by a FSIS Office of Field Operations (OFO) District Office (DO).

The regulations at 9 CFR 327.13, 381.202, 557.13, and 590.945 provide different options for the disposition of U.S. Refused entry product, including: (1) Exportation (return) of the product to the originating country or to a third country, if permitted; (2) destruction of the product for human food purposes; (3) denaturing the product so it cannot be used for human food; (4) conversion of the product to animal food if permitted and approved by the Food and Drug Administration (FDA), and that permission is communicated to the FSIS DO; and (5) rectification if the reason for refusal has been corrected.

FSIS is requesting renewal of the information collection to document the
