SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235-0057]

Agency Information Collection Activities; Proposed Collection; Comment Request; Extension: Regulation 14C (Commission Rules 14c-1 through 14c-7 and Schedule 14C)

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission also is requesting approval from OMB to designate this existing collection of information (OMB Control No. 3235-0057) as a "common form" for purposes of PRA submissions¹ because the Board

of Governors of the Federal Reserve System uses this information collection (under OMB Control No. 7100-0091). The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Regulation 14C (17 CFR 240.14c-1 through 14c-7) and Schedule 14C (17 CFR 240.14c-101) set forth the requirements for the dissemination, content, and filing of the information statement required under Section 14(c) of the Securities Exchange Act of 1934. Those rules and schedule are intended to ensure that issuers that do not solicit proxies or consents provide all relevant security holders with material information as prescribed under the proxy rules. We estimate that Schedule 14C takes approximately 149.74 hours per response and is filed once per year by approximately 354 respondents, for a total of approximately 354 responses annually. We estimate that 75% of the 149.74 hours per response is carried internally by the respondent for annual reporting burden of 39,756 hours ((75% × 149.74 hours per response) × 354 responses). We estimate that 25% of the 149.74 hours per response is carried externally by outside professionals retained by the respondent at an estimated rate of \$600 per hour for a total annual cost burden of \$7,951,194 ((25% × 149.74 hours per response) × \$600 per hour × 354 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of

The host agency will indicate in the **Federal Register** notices that it is requesting approval of a common form and, if known, identify other agencies that may use the information collection. Both the **Federal Register** notices and the ICR should account only for the burden imposed by the host agency's use of the common form. Once the host agency has received approval from OMB, any agency will be able to request OMB approval for its use of the common form in ROCIS by providing its agency specific information to OMB (e.g., burden estimates and number of respondents). Please direct your written comments on this 60-Day Collection Notice to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Tanya Ruttenberg via email to PaperworkReductionAct@sec.gov by June 12, 2026. Agency Information Collection Activities; Submission for OMB Review; Comment Request; Extension: Rule 203A-2(d)

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. § 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is submitting to the Office of Management and Budget ("OMB") this request for an extension of the proposed collection of information described below.

Section 203A of the Investment Advisers Act of 1940 ("Advisers Act") prohibits certain advisers from registering with the Commission, including those that are smaller and those that advise a Commission-registered investment company. 17 CFR 275.203A-2(d) ("rule 203A-2(d)") provides an exemption from that prohibition. Under rule 203A-2(d), an adviser may register with the Commission if it would otherwise be required to register with 15 or more states. To rely on rule 203A-2(d), an adviser must do the following: (1) indicate on Schedule D of Form ADV that it has concluded that it is required to register in 15 or more states; (2) include an undertaking on Schedule D of Form ADV that it will withdraw its registration if it indicates on its annual updating amendment that the adviser is no longer required to register with at
