AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that countervailable subsidies were provided to certain producers and/or exporters of aluminum extrusions from the People's Republic of China (China) during the period of review (POR) January 1, 2024, through December 31, 2024. In addition, Commerce is rescinding this review, in part. Interested parties are invited to comment on these preliminary results.

DATES: Applicable April 15, 2026.

SUPPLEMENTARY INFORMATION:

Background

On May 26, 2011, Commerce published in the **Federal Register** the countervailing duty (CVD) order on aluminum extrusions from China.¹ On May 5, 2025, Commerce published the notice of the opportunity to request a review of the *Order*.² On June 25, 2025, based on timely requests for review, Commerce published the notice of initiation of this administrative review.³

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceeding by 47 days,⁴ and, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁵

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁶ A list of topics included in the Preliminary Decision Memorandum is provided as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically

Scope of the Order

The products covered by the *Order* are aluminum extrusions from China. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, in Part

In accordance with 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if all parties that requested the review withdraw their requests within 90 days of the date of publication of the notice of initiation of the requested review. On September 23, 2025, the petitioner⁷ submitted a timely letter withdrawing its requests for review of 79 companies.⁸ Because the withdrawal of review requests was timely filed, and no other parties requested a review of these companies, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the *Order* with respect to these 79 companies. For a list of these companies for which all requests for review were timely withdrawn, see Appendix II.

Additionally, pursuant to 19 CFR 351.213(d)(3), Commerce will rescind an administrative review when there are no reviewable suspended entries. Based on our analysis of U.S. Customs and Border Protection (CBP) information, we preliminarily determine that 12 companies subject to outstanding requests for review had no entries of subject merchandise during the POR. On December 10, 2025, we notified parties that we intended to rescind this administrative review with respect to the 12 companies which have no reviewable suspended entries.⁹ No parties commented on the notification of intent to rescind the review, in part. We are, therefore, rescinding the administrative review of these companies which have no reviewable suspended entries. For further information, see the Preliminary Decision Memorandum at the “Partial Rescission of Administrative Review” section. For a list of these companies

⁷ The petitioner is the Aluminum Extrusions Fair Trade Committee.

⁸ See Petitioner’s Letter, “Partial Withdrawal of Request for Administrative Review,” dated September 23, 2025.

⁹ See Memorandum, “Notice of Intent to Rescind, In Part,” dated December 10, 2025.

with no reviewable suspended entries, see Appendix III.

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily find that there is a subsidy, *i.e.*, a financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.¹⁰

In accordance with 19 CFR 351.221(b)(4)(i), Commerce determined a countervailable subsidy rate for the following six exporters and/or producers of aluminum extrusions from China that refused delivery of and/or did not respond to the quantity and value (Q&V) questionnaire: (1) Anji Chang Hong Chain Manufacturing, (2) Assa Abloy (Zhongshan) Security Technology, (3) Dezhou Huoamei Windows and Doors, (4) Ewellix Motion Technologies, (5) Ningbo Lianda Winch, and (6) Shanghai Zesheng Automotive Technology. We determined the countervailable subsidy rate for these non-responsive companies based entirely on facts available with adverse inferences, in accordance with sections 776(a) and 776(b) of the Act.

For a full description of the methodology underlying our conclusions, including our reliance, on facts otherwise available with adverse inferences pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.

Preliminary Results of Review

We preliminarily determine the following net countervailable subsidy rates for the period January 1, 2024, through December 31, 2024:

Company	Subsidy rate (percent <i>ad valorem</i>)
Anji Chang Hong Chain Manufacturing	164.29
Assa Abloy (Zhongshan) Security Technology	164.29
Dezhou Huoamei Windows and Doors	164.29
Ewellix Motion Technologies	164.29
Ningbo Lianda Winch	164.29
Shanghai Zesheng Automotive Technology	164.29

Disclosure

Normally, Commerce discloses to interested parties the calculations performed in preliminary results within five days of any public announcement or, if there is no public announcement,

¹⁰ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

within five days of the date of publication of the notice of preliminary results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because Commerce relied entirely on facts available with adverse inferences to select subsidy rates, there are no company-specific calculations to disclose.

Public Comment

Pursuant to 19 CFR 351.309(c), we have modified the deadline for interested parties to submit case briefs to Commerce to no later than 21 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹¹ Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹² All briefs must be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety in ACCESS by 5:00 p.m. Eastern Time on the established deadline.

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹³ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁴

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests

should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Oral presentations at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce will inform parties of the scheduled date for the hearing.¹⁵

Assessment Rates

Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results, Commerce will determine, and the U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue these instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

For the companies listed in Appendix II and III for which the review is being rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period of January 1, 2024 through December 31, 2024, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue rescission instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

For the companies remaining under review, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at the subsidy rates calculated in the final results of this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**.

Cash Deposit Requirements

Pursuant to section 751(a)(2)(C) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount indicated above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this

review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless the deadline is extended, we intend to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: April 9, 2026.

DEPARTMENT OF COMMERCE**National Oceanic and Atmospheric Administration**

[RTID 0648-XF638]

Taking and Importing of Marine Mammals

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; new 5-year affirmative finding for Panama.

SUMMARY: The NMFS Assistant Administrator (Assistant Administrator) has issued a new 5-year affirmative finding for the Government of Panama under the Marine Mammal Protection Act (MMPA). This affirmative finding will allow the importation into the United States of yellowfin tuna and yellowfin tuna products harvested in the eastern tropical Pacific Ocean (ETP), in compliance with the Agreement on the International Dolphin Conservation Program (AIDCP), by purse seine vessels operating under Panamanian jurisdiction or exported from Panama. NMFS bases the affirmative finding determination on reviews of documentary evidence submitted by the Government of Panama and of information obtained from the Inter-American Tropical Tuna Commission (IATTC).

DATES: This new affirmative finding is effective for the 5-year period of April 1, 2026, through March 31, 2031.

FOR FURTHER INFORMATION CONTACT: Justin Greenman, West Coast Region, NMFS, by mail: 501 W. Ocean Blvd., Suite 4200, Long Beach, CA 90802, email: justin.greenman@noaa.gov, or phone: (562) 980-3264.

SUPPLEMENTARY INFORMATION: The MMPA, 16 U.S.C. 1361 *et seq.*, allows

for importation into the United States of yellowfin tuna harvested by purse seine vessels in the ETP from a nation with jurisdiction over purse seine vessels with carrying capacity greater than 400 short tons that harvest tuna in the ETP only if the nation has an “affirmative finding” issued by the NMFS Assistant Administrator. See section 101(a)(2)(B) of the MMPA, 16 U.S.C. 1371(a)(2)(B); see also 50 CFR 216.24(f)(6)(i). If requested by the government of such a nation, the Assistant Administrator will determine whether to make an affirmative finding based upon documentary evidence provided by the government, IATTC, or the Department of State.

The affirmative finding process requires that the harvesting nation is meeting its obligations under AIDCP and its obligations of membership in IATTC. Every 5 years, the government of the harvesting nation must request a new affirmative finding and submit the required documentary evidence directly to the Assistant Administrator. On an annual basis, NMFS must determine whether the harvesting nation continues to meet the requirements of its 5-year affirmative finding. NMFS does this by reviewing the documentary evidence from the last year. A nation may provide information related to compliance with AIDCP and IATTC measures directly to NMFS on an annual basis or may authorize IATTC to release the information to NMFS to annually renew an affirmative finding determination without an application from the harvesting nation.

An affirmative finding will be terminated, in consultation with the Secretary of State, if the Assistant Administrator determines that the requirements of 50 CFR 216.24(f) are no longer being met or that a nation is consistently failing to take enforcement actions on violations, thereby diminishing the effectiveness of AIDCP. As a part of the affirmative finding process set forth in 50 CFR 216.24(f)(8), the Assistant Administrator considered documentary evidence submitted by the Government of Panama and obtained from IATTC and has determined that Panama has met the MMPA’s requirements to receive a new 5-year affirmative finding.

After consultation with the Department of State, the Assistant Administrator issued a new 5-year affirmative finding to Panama, allowing the importation into the United States of yellowfin tuna and products derived from yellowfin tuna harvested in the ETP by purse seine vessels operating under Panamanian jurisdiction or exported from Panama. Issuance of a

new 5-year affirmative finding for Panama does not affect implementation of an intermediary nation embargo under 50 CFR 216.24(f)(9), which applies to exports from a nation that exports to the United States yellowfin tuna or yellowfin tuna products that was subject to a ban on importation into the United States under section 101(a)(2)(B) of the MMPA, 16 U.S.C. 1371(a)(2)(B).

This new affirmative finding for Panama is for the 5-year period of April 1, 2026, through March 31, 2031, subject to subsequent annual reviews by NMFS.

Dated: April 6, 2026.
