Abstract: Self-reporting requirements set forth in the Department of Justice (DOJ) Policy Statement 1700.04, Department Personnel Security Reporting Requirements, issued April 18, 2018, apply to non-federal employee personnel affiliated with the DOJ. The Security and Emergency Planning Staff, and other Department Security Offices, will use the reported information to determine the submitter's continued fitness for employment at the Department of Justice or continued eligibility for access to national security information. The Department security offices for each agency component will review,
