DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and approval under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by May 15, 2026 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it

displays a currently valid OMB control number.

Food Safety and Inspection Service

Title: Specified Risk Materials.

OMB Control Number: 0583–0129.

Summary of Collection: FSIS has been delegated the authority to exercise the functions of the Secretary (7 CFR 2.18 and 2.53), as specified in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601 *et seq.*). This statute mandates that FSIS protect the public by verifying that meat products are safe, wholesome, and properly labeled. FSIS is requesting a renewal of the approved information collection regarding specified risk materials (SRMs) in cattle.

Need and Use of the Information: FSIS requires official establishments that slaughter cattle or process carcasses or parts of cattle to develop written procedures for the removal, segregation, and disposition of SRMs. The Agency requires that these establishments maintain daily records to document the implementation and monitoring of their procedures for the removal, segregation, and disposition of SRMs, as well as any corrective actions that they take to ensure that the procedures are effective (9 CFR 310.22(e)).

FSIS also requires official slaughter establishments that transport carcasses or parts of cattle 30 months of age and older and containing vertebral columns to other federally inspected establishments to ensure that the carcasses and parts are accompanied by documentation stating that they contain vertebral columns from such cattle, to maintain records identifying the establishments that receive the carcasses and parts, and to maintain records verifying that the receiving establishments removed and properly disposed of the portions of the vertebral column designated as SRMs (9 CFR 310.22(g)).

Description of Respondents: Business or other for-profit.

Number of Respondents: 3,512.

Frequency of Responses: Recordkeeping; Reporting: On occasion.

Total Burden Hours: 123,916.

[Docket No. RBS–2–6BUSINESS–0015]

Notice of Rescission of Funding Opportunity for the Rural Energy for America Program

AGENCY: Rural Business-Cooperative Service, USDA.

ACTION: Notice.

SUMMARY: The Rural Business-Cooperative Service (RBCS or the Agency), a Rural Development (RD) agency of the United States Department of Agriculture (USDA) issued a Notice of Funding Opportunity (NOFO) published in the **Federal Register** (FR) at 89 FR 83449 on October 16, 2024 to announce acceptance of grant, guaranteed loan, and combined grant and guaranteed loan applications under the Rural Energy for America Program (REAP). The NOFO was issued for Fiscal Years (FY) 2025, 2026, and 2027. The purpose of this notice is to rescind the October 16, 2024, NOFO. The Agency is currently promulgating regulatory changes to the REAP program and available funding will be announced after publication of said changes. Applicants who previously submitted applications will be required to submit a new application and must comply with the new regulation. This applies to any applicant that does not possess a fully executed Financial Assistance Agreement. As provided for in 7 CFR 4280.122 and 7 CFR 4280.156, the Agency, by this notice, is providing alternate procedures for processing applications. Grant applications will be processed according to the funding notice that will be available on the Agency website after the new regulations are issued.

DATES: The rescission of the NOFO published on October 16, 2024, [89 FR 83449] is effective immediately. The Agency will announce the acceptance of new REAP applications after the updated regulation has been published.

SUPPLEMENTARY INFORMATION:

Background

On January 29, 2021, Commerce published the *Orders* in the **Federal Register**.¹ On December 1, 2025, Commerce published the notice of initiation of these first sunset reviews of the *Orders*, pursuant to section 751(c) of the Tariff Act of 1930 (the Act).²

On December 11, 2025, Commerce received a timely and complete notice of intent to participate in the sunset reviews for domestic interested parties within the deadline specified in the 19

¹ See *Forged Steel Fluid End Blocks from the Federal Republic of Germany and Italy: Amended Final Antidumping Duty Determination for the Federal Republic of Germany and Antidumping Duty Orders*, 86 FR 7528 (January 29, 2021) (*Germany Order* and *Italy Order*) (collectively, *Orders*).

² See *Initiation of Five-Year (Sunset) Reviews*, 90 FR 55084 (December 1, 2025).

CFR 351.218(d)(1)(i).³ The domestic interested party claimed the interested party status within the meaning of section 771(9)(E) of the Act as an *ad hoc* trade association, a majority of whose members are domestic producers of FEBs.⁴ On December 23, 2025 Commerce notified the U.S. International Trade Commission (ITC) that it had received a notice of intent to participate from the domestic interested parties.⁵

On December 22, 2025, pursuant to 19 CFR 351.218(d)(3)(i), domestic interested parties filed timely and adequate substantive responses.⁶ Commerce did not receive a substantive response from any respondent interested party. On January 26, 2026 Commerce notified the ITC that it did not receive substantive response from any respondent interested parties.⁷ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce is conducting expedited (120-day) sunset reviews of the *Orders*.

Scope of the Orders

The product covered by these *Orders* is forged steel fluid end blocks from Germany and Italy. For the full description of the scope of the *Orders*, see the Issues and Decisions Memorandum.⁸

the likelihood of continuation or recurrence of dumping in the event of revocation of the *Orders* and the magnitude of the margins likely to prevail if the *Orders* were to be revoked, is provided in the accompanying Issues and Decision Memorandum.⁹ A list of the topics discussed in the Issues and Decision Memorandum is attached in the Appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be directly accessed at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Final Results of Sunset Reviews

Pursuant to sections 751(c)(1), 752(c)(1) and (3) of the Act, Commerce determines that revocation of the *Orders* would be likely to lead to continuation or recurrence of dumping, and that the magnitude of the dumping margins likely to prevail would be weighted-average dumping margins up to 78.36 percent for Germany and 58.48 percent for Italy.

Notification Regarding Administrative Protective Orders

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials, or conversion to judicial protective, orders is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

We are issuing and publishing these final results in accordance with sections 751(c), 752(c), and 777(i)(1) of the Act, and 19 CFR 351.218 and 19 CFR 351.221(c)(5)(ii).

Dated: April 10, 2026.

Scot Fullerton,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
