Needs and Uses: On December 19, 2025, the Commission released a Report and Order, FCC 25–84, concerning the advancement of the Class A, LPTV and TV translator services (LPTV Service). Two of the rules adopted included the requirement that Class A stations file an application for modification of license (FCC Form 2100, Schedule F)—73.6002(b)(2) when seeking to change their community of license. In addition, Class A stations requesting to downgrade to low power television station status file a modification of license (FCC Form 2100, Schedule F) rather than a letter—73.6001(d). Finally, an administrative change is being made to rule 73.6002(a)(2) that provides that Class A station licenses are filed on FCC Form 2100, Schedule F and not FCC Form 302–CA. The form changes were already approved and this just change the language of the rule to refer to the correct form. This submission is being made to OMB for approval of the modified FCC Form 2100, Schedule F.
