Analysis of Proposed Consent Order To Aid Public Comment

The Federal Trade Commission (“Commission”) has accepted, subject to final approval, an Agreement Containing Consent Order (“Consent Agreement”) with Publishing.com, LLC, Christian Mikkelsen, and Rasmus Mikkelsen (collectively, “Respondents”). The proposed Decision and Order (“Order”), included in the Consent Agreement and subject to final Commission approval, is designed to

remedy Respondents’ deceptive practices in connection with marketing their self-publishing programs.

The proposed Order has been placed on the public record for 30 days to receive comments from interested persons. Comments received during this period will become part of the public record. After 30 days, the Commission will again review the Consent Agreement, and the comments received, and will decide whether it should withdraw from the Consent Agreement and take appropriate action or make the proposed Order final.

The complaint alleges that Respondents violated section 5 of the FTC Act, 15 U.S.C. 45, by making false or unsubstantiated earnings claims about their self-publishing programs. The complaint further alleges that Respondents violated section 5 of the FTC Act by misrepresenting its refund policy as a simple money-back guarantee for 12 months. Finally, the complaint alleges that Respondents falsely represented that consumer reviews and testimonials for their programs represented the actual, genuine experiences and opinions of ordinary and impartial purchasers.

The proposed Order contains provisions designed to prevent Respondents from engaging in these and similar acts and practices in the future. Provision I of the proposed Order permanently restrains and enjoins Respondents from making earnings claims or assisting others in making earnings claims unless those claims are non-misleading and Respondents have a reasonable basis for them. Provision II prohibits Respondents from making the specific misrepresentations alleged in the complaint and misrepresentations concerning any other material fact in the sale of any product or service. Provision III prohibits Respondents from misrepresenting or failing to disclose material terms and conditions of any cancellation or refund policy or failing to promptly honor a consumer’s cancellation or refund request in compliance with company policies in effect at the time of the consumer’s purchase. Provision IV prohibits Respondents from making certain misrepresentations regarding testimonials and endorsements.

Provision V requires Respondents to disclose any unexpected material connections with endorsers or reviewers and any payments or incentives for posting reviews. Provision VI requires Respondents to pay \$1.5 million in monetary relief and Provision VII details additional monetary provisions necessary to ensure receipt of the monetary relief. Provision VIII requires

Respondents to provide the Commission with sufficient information about its customers so that the Commission can efficiently administer redress, if possible.

Provisions IX through XIII relate to notice and compliance. Provision IX requires Respondents to acknowledge receipt of the Order; distribute the Order to principals, officers, and certain employees and agents; and obtain signed acknowledgements from them. Provision X requires Respondents to submit compliance reports to the Commission one year after the Order's issuance and when certain events occur. Provision XI requires Respondents to create certain records for 15 years and retain them for five years thereafter. Provision XII requires Respondents to provide information or documents necessary to monitor compliance with the Order during the period of the Order's effective dates. Provision XIII provides the effective dates of the Order, including that, with exceptions, the Order will terminate in 20 years.

The purpose of this analysis is to facilitate public comment on the Consent Agreement and proposed Order to aid the Commission in determining whether it should make the proposed Order final. This analysis is not an official interpretation of the proposed Order and does not modify its terms in any way.

By direction of the Commission.

April J. Tabor,
Secretary.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Medicare & Medicaid Services

[Document Identifier: CMS-10398 #99]

Medicaid and Children's Health Insurance Program (CHIP) Generic Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Centers for Medicare & Medicaid Services, Health and Human Services (HHS).

ACTION: Notice.

SUMMARY: On May 28, 2010, the Office of Management and Budget (OMB) issued Paperwork Reduction Act (PRA) guidance related to the "generic" clearance process. Generally, this is an expedited process by which agencies may obtain OMB's approval of

collection of information requests that are "usually voluntary, low-burden, and uncontroversial collections," do not raise any substantive or policy issues, and do not require policy or methodological review. The process requires the submission of an overarching plan that defines the scope of the individual collections that would fall under its umbrella. On October 23, 2011, OMB approved our initial request to use the generic clearance process under control number 0938-1148 (CMS-10398). It was last approved on April 26, 2021, via the standard PRA process which included the publication of 60- and 30-day **Federal Register** notices. The scope of the April 2021 umbrella accounts for Medicaid and CHIP State plan amendments, waivers, demonstrations, and reporting. This **Federal Register** notice seeks public comment on one or more of our collection of information requests that we believe are generic and fall within the scope of the umbrella. Interested persons are invited to submit comments regarding our burden estimates or any other aspect of this collection of information, including: the necessity and utility of the proposed information collection for the proper performance of the agency's functions, the accuracy of the estimated burden, ways to enhance the quality, utility and clarity of the information to be collected, and the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

DATES: Comments must be received by April 30, 2026.

ADDRESSES: When commenting, please reference the applicable form number (CMS-10398 #45) and the OMB control number (0938-1148). To be assured consideration, comments and recommendations must be submitted in any one of the following ways:

1. *Electronically.* You may send your comments electronically to <http://www.regulations.gov>. Follow the instructions for "Comment or Submission" or "More Search Options" to find the information collection document(s) that are accepting comments.

2. *By regular mail.* You may mail written comments to the following address: CMS, Office of Strategic Operations and Regulatory Affairs, Division of Regulations Development, Attention: CMS-10398 #____/OMB control number: 0938-1148, Room C4-26-05, 7500 Security Boulevard, Baltimore, Maryland 21244-1850.

To obtain copies of a supporting statement and any related forms for the

proposed collection(s) summarized in this notice, please access the CMS PRA website by copying and pasting the following web address into your web browser: <https://www.cms.gov/Regulations-and-Guidance/Legislation/PaperworkReductionActof1995/PRAListing>.

SUPPLEMENTARY INFORMATION: Following is a summary of the use and burden associated with the subject information collection(s). More detailed information can be found in the collection's supporting statement and associated materials (see **ADDRESSES**).

1. *Title of Information Collection:* Medicaid Certified Community Behavioral Health Clinic (CCBHC) Services State Plan Amendment Coverage Template; *Type of Information Collection Request:* New collection of information request; *Use:* On March 9, 2024, section 209 in Title I of Division G of the Consolidated Appropriations Act, 2024 (CAA, 2024) (Pub. L. 118-42) amended section 1905 of the Social Security Act (the Act) to establish a new, optional Certified Community Behavioral Health Clinic (CCBHC) State plan benefit at section 1905(a)(31), and as defined in section 1905(jj) of the Act. CCBHCs must be certified by the State Medicaid agency as meeting the most recent version of the CCBHC Certification Criteria ("the Certification Criteria") and must submit ongoing data on the provision of services, such as data on service encounters and clinical outcomes, to the State or Secretary. The Certification Criteria that States use to certify CCBHCs establish a basic level of service at which CCBHCs should operate. The amendments to the Act as a result of the passage of the CAA, 2024 provide the authority for SPAs to add this optional Medicaid coverage. The attached template has been developed to simplify the SPA submission by adding the 1905(a)(31) CCBHC services benefit to their State plan. States submitting State plan pages adding optional coverage for the section 1905(a)(31) will be required to utilize and submit the template no later than the end of the quarter in which their effective date falls. *Form Number:* CMS-10398 #99 (OMB control number: 0938-1148); *Frequency:* One time and on occasion; *Affected Public:* State, Local, or Tribal Governments; *Number of Respondents:* 56; *Total Annual Responses:* 56; *Total Annual Hours:* 280.
