SUPPLEMENTARY INFORMATION:

International Price and Service Adjustments

On April 9, 2026, the Postal Service filed a notice of mailing services price adjustments with the Postal Regulatory Commission (PRC), effective on July 12, 2026. Additionally, the Postal Service proposed to eliminate the Customs Clearance and Delivery Fee for Inbound Letter Post letters and flats. Dutiable items should not be placed in UPU small letters (P) format and UPU large letters (G) format, which eliminates the need for the Customs Clearance and Delivery Fee for Inbound Letter Post letters and flats. The Postal Service proposes to revise Notice 123, *Price List*, available on Postal Explorer® at <https://pe.usps.com>, to reflect these new price and classification changes. The new prices are available under Docket Number R2026–1 on the Postal Regulatory Commission’s website at www.prc.gov.

This proposed rule describes the price changes for the following market dominant international services:

- First-Class Mail International® (FCMI) service.

Air Plan Revisions; Arizona; Maricopa County Air Quality Department; New Source Review; Emission Reduction Credits

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing to approve a revision to the Maricopa County Air Quality Department (MCAQD or “Department”) portion of the Arizona State Implementation Plan (SIP). This revision establishes a federally enforceable program allowing fleet owners/operators to generate emission reduction credits (ERCs) by either retrofitting or replacing existing fleet vehicles with lower emitting vehicles while meeting other Clean Air Act (CAA or “Act”) requirements. These ERCs are intended for use as offsets for major stationary sources under the Department’s Nonattainment New Source Review (NNSR) program. We are proposing to approve a local rule to allow for the generation of ERCs through voluntary on-road mobile source emission reductions under the CAA. We are taking comments on this proposal and plan to follow with a final action.

DATES: Comments must be received on or before May 18, 2026.
