*Abstract:* The Drug Enforcement Administration (DEA) is a federal law enforcement agency charged with enforcing the controlled substances laws and regulations of the United States. Its principal responsibilities include investigation and prosecution of major violators of controlled substances laws.

Because of the nature of DEA's mission, and its status as a law enforcement agency, past use of illegal drugs by potential employees presents special concerns, and therefore the agency evaluates a job applicant's illegal drug use and abuse during the application process. Executive Order 12564 is supported in the DEA Pre-Employment Drug Policy that a history of illegal drug use or abuse may be a disqualification for employment with DEA.

The content and questions of this previously approved form have been edited to eliminate confusion between job applicants and polygraphers before a pre-employment polygraph examination. The DEA Pre-Employment Drug Policy and DEA-200 form asks applicants to acknowledge their understanding of those requirements to move forward in the employment process.

*Abstract:* BJS has conducted the CSLLEA regularly since 1992. The 2026 CSLLEA will be the ninth administration. Historically, the CSLLEA generates an enumeration of all publicly funded state, county, and local law enforcement agencies operating in the United States. The 2026 CSLLEA will also include campus law enforcement agencies serving private institutions. The CSLLEA will provide complete personnel counts and an overview of the functions performed for approximately 22,000 law enforcement agencies operating nationally. The survey asks about the level of government that operates the agency; oversight of any agency sub-components; total operating budget; full-time and part-time personnel counts

for sworn, limited sworn, and non-sworn employees; sex of full-time sworn, limited sworn, and non-sworn personnel; race and Hispanic origin of full-time sworn officers; and the functions the agency performs on a regular or primary basis. Upon completion, the 2026 CSLLEA will serve as the sampling frame for future law enforcement surveys administered by BJS.
