#### SUPPLEMENTARY INFORMATION:

##### Public Comment Procedures

We are publishing notice of records schedules in which agencies propose to dispose of records they no longer need to conduct agency business. We invite public comments on these records schedules, as required by 44 U.S.C. 3303a(a), and list the schedules at the end of this notice by agency and subdivision requesting disposition authority.

In addition, this notice lists the organizational unit(s) accumulating the records or states that the schedule has agency-wide applicability. It also provides the control number assigned to each schedule, which you will need if you submit comments on that schedule.

We have uploaded the records schedules and accompanying appraisal memoranda to the *regulations.gov* docket for this notice as "other" documents. Each records schedule contains a full description of the records at the file unit level as well as their proposed disposition. The appraisal memorandum for the schedule includes information about the records.

We will post comments, including any personal information and attachments, to the public docket unchanged. Because comments are public, you are responsible for ensuring that you do not include any confidential or other information that you or a third party may not wish to be publicly posted. If you want to submit a comment with confidential information or cannot otherwise use the

*regulations.gov* portal, you may contact [request.schedule@nara.gov](mailto:request.schedule@nara.gov) for instructions on submitting your comment.

We will consider all comments submitted by the posted deadline and consult as needed with the Federal agency seeking the disposition authority. After considering comments, we may or may not make changes to the proposed records schedule. The schedule is then sent for final approval by the Archivist of the United States. After the schedule is approved, we will post on *regulations.gov* a "Consolidated Reply" summarizing the comments, responding to them, and noting any changes we made to the proposed schedule. You may elect at *regulations.gov* to receive updates on the docket, including an alert when we post the Consolidated Reply, whether or not you submit a comment. If you have a question, you can submit it as a comment, and can also submit any concerns or comments you would have to a possible response to the question. We will address these items in consolidated replies along with any other comments submitted on that schedule.

We will post schedules on our website in the Records Control Schedule (RCS) Repository, at <https://www.archives.gov/records-mgmt/rcs>, after the Archivist approves them. The RCS contains all schedules approved since 1973.

#### Background

Each year, Federal agencies create billions of records. To control this accumulation, agency records managers prepare schedules proposing retention periods for records and submit these schedules for NARA's approval. Once approved by NARA, records schedules provide mandatory instructions on what happens to records when no longer needed for current Government business. The records schedules authorize agencies to preserve records of continuing value in the National Archives or to destroy, after a specified period, records lacking continuing administrative, legal, research, or other value. Some schedules are comprehensive and cover all the records of an agency or one of its major subdivisions. Most schedules, however, cover records of only one office or program or a few series of records. Many of these update previously approved schedules, and some include records proposed as permanent.

Agencies may not destroy Federal records without the approval of the Archivist of the United States. The Archivist grants this approval only after

thorough consideration of the records' administrative use by the agency of origin, the rights of the Government and of private people directly affected by the Government's activities, and whether or not the records have historical or other value. Public review and comment on these records schedules is part of the Archivist's consideration process.

**SUPPLEMENTARY INFORMATION:**

#### **Background**

The National Archives and Records Administration (NARA) established the Freedom of Information Act (FOIA) Advisory Committee (Committee) to foster dialogue between the Administration and the requester community, solicit public comments, and develop recommendations for improving the FOIA process. The Committee operates under the directive in FOIA, 5 U.S.C. 552(h)(2)(C), that the Office of Government Information Services (OGIS) within NARA "identify procedures and methods for improving compliance" with FOIA. The Committee is governed by the provisions of the Federal Advisory Committee Act, as amended, 5 U.S.C. 1001-1014.

#### **II. Charter and Membership Appointment Terms**

NARA initially chartered the Committee on May 20, 2014. NARA has determined that renewing the Committee is in the public interest. See IV, Public Interest Determination, below. Member appointment terms run for two years, concurrent with the Committee charter.

#### **III. Committee Membership**

The 2026-2028 FOIA Advisory Committee will consist of no more than 20 individuals who will include a range of Government and non-Government representatives. Members are selected in accordance with the charter. Considerations when making appointments will include geographic breadth; various sizes of companies or organizations to be represented; and representation from a variety of fields of business and industry, academic institutions, non-profit and non-governmental organizations, and other stakeholders in accordance with the charter.

Government members will include, at a minimum: Three FOIA professionals from Cabinet-level Departments; three FOIA professionals from non-Cabinet agencies; the director of the Department

of Justice's Office of Information Policy (OIP) or the OIP Director's designee; and the Director of OGIS or the OGIS Director's designee.

Non-Governmental members will include, at a minimum: Two individuals representing the interests of non-Governmental organizations that advocate on FOIA matters; one individual representing the interests of FOIA requesters who qualify for the "all other" FOIA requester fee category; one individual representing the interests of requesters who qualify for the "news media" FOIA requester fee category; one individual representing the interests of requesters who qualify for the "commercial" FOIA requester fee category; one individual representing the interests of historians and history-related organizations; and one individual representing the interests of academia.

#### **IV. Committee Members' Responsibilities**

All Committee members are expected to attend a minimum of 12 public meetings during the two-year Committee term. Meetings will be held virtually to save costs with some in-person meetings possible. All Committee members are expected to volunteer for one or more working subcommittees that will meet at various times during the two-year term. The first meeting of the 2026-2028 Committee term is scheduled for Thursday, September 10, 2026. Meeting notices will be published in the **Federal Register**.

#### **V. Nomination Information**

All nominations for Committee membership must include the following information:

1. If you are self-nominating: Your name, title, relevant contact information (including telephone and email address), and the representative role for which you wish to be considered;

2. If you are nominating another individual: The nominee's name, title, and relevant contact information, and the Committee position for which you are submitting the nominee;

3. For both self-nominations and nominations by other individuals: (a) A short paragraph or biography about the nominee (fewer than 250 words), summarizing their resumé or otherwise highlighting the contributions the nominee would bring to the Committee; and (b) the nominee's resumé or curriculum vitae.

Nominations selected for appointment to the Committee will be notified in writing prior to the first Committee meeting of the seventh term.
