

calendar quarter to five days after the end of each calendar month.

The Exchange does not believe that this amendment is a significant departure from the current rule, nor does it impose any burden on any Participant because each broker-dealer is required currently to perform the necessary calculation daily to arrive at the requisite average. Further, in addition to the calculation, broker-dealers are subject to know-your-customer and suitability requirements under FINRA Rules 2090 (Know Your Customer) and 2111 (Suitability) and would need to consider whether a customer meets the Professional designation for purposes of determining best execution and making appropriate recommendations. Finally, some Participants currently designate a Public Customer that has averaged more than 390 orders per day during a month as a Professional on a more expedited basis, not waiting until five days after the quarter.

The Exchange notes that the trading behavior of a Public Customer can be distinguished from that of a Professional which is the purpose of the separate designations.

Further, the designation of Professional orders would not result in any different treatment of such orders for purposes of compliance with the Exchange's Rules. Public Customers have been granted certain priority over other non-broker-dealer individuals and entities that have access to information and technology that enables them to Professionally trade listed options in the same manner as a broker or dealer in securities. Further, the Public Customer designation allows the Exchange to attract order flow or create more competitive markets.

Also, the Exchange does not believe that the proposed rule change will impose any burden on inter-market competition because other exchanges are expected to adopt similar rules.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were either solicited or received.

#### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time

as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>12</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>13</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

#### **IV. Solicitation of Comments**

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

##### *Electronic Comments*

- Use the Commission's internet comment form (<https://www.sec.gov/rules/sro.shtml>); or

## **SECURITIES AND EXCHANGE COMMISSION**

**[Release No. 34-105250; File No. SR-CboeBZX-2026-026]**

### **Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Franklin Ethereum ETF**

April 15, 2026.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on April 6, 2026, Cboe BZX Exchange, Inc. (the "Exchange" or "BZX") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### **I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

Cboe BZX Exchange, Inc. ("BZX" or the "Exchange") is filing with the Securities and Exchange Commission ("Commission" or "SEC") a proposed rule change to amend the Franklin Ethereum ETF (the "Fund"), shares ("Fund Shares") of which have been approved by the Commission to list and trade on the Exchange pursuant to BZX Rule 14.11(e)(4) under an approval order, to permit the Fund to list and trade under the generic listing standards of that rule.

The text of the proposed rule change is also available on the Commission's website (<https://www.sec.gov/rules/sro.shtml>), the Exchange's website ([https://www.cboe.com/us/equities/regulation/rule\\_filings/bzx/](https://www.cboe.com/us/equities/regulation/rule_filings/bzx/)), and at the principal office of the Exchange.

## II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

#### 1. Purpose

The Commission has previously approved the listing and trading of shares for the Fund under Rule 14.11(e)(4),<sup>3</sup> and the Fund currently lists and trades on the Exchange. The Exchange now proposes to transition this Fund to operate under the recently Commission-approved generic listing standards for Commodity-Based Trust Shares pursuant to Rule 14.11(e)(4) ("Amended Rule 14.11(e)(4)").<sup>4</sup> The Fund will meet the requirements of Amended Rule 14.11(e)(4) and will be required to comply with the continued listing requirements set forth in such Rule.

#### 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>5</sup> Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>6</sup> requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged

<sup>3</sup> See Securities Exchange Act No. 100224 (May 23, 2024) 89 FR 46937 (May 30, 2024) (Order Granting Accelerated Approval of Proposed Rule Changes, as Modified by Amendments Thereto, To List and Trade Shares of Ether-Based Exchange-Traded Products) (the "Ethereum ETP Approval Order").

<sup>4</sup> See Securities Exchange Act No. 103995 (September 17, 2025) 90 FR 45414 (September 22, 2025) (SR-CboeBZX-2025-104) (Order Granting Accelerated Approval of Proposed Rule Changes, as Modified by Amendments Thereto, To Adopt Generic Listing Standards for Commodity-Based Trust Shares).

in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>7</sup> requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes the proposed rule change is designed to remove impediments to and perfect the mechanism of a free and open market and, in general, to protect investors and the public interest because it would provide for the transition of the Fund from being listed pursuant to the Ethereum ETP Approval Order to Amended Rule 14.11(e)(4) instead. The proposed change would allow the Fund Shares to continue listing and trading on the Exchange and permit the Fund to operate in reliance on the generic listing standards in Amended Rule 14.11(e)(4) instead of the terms of the Ethereum ETP Approval Order, thereby facilitating the continued listing and trading of exchange-traded products that will enhance competition among market participants, to the benefit of investors and the marketplace. The Fund will meet the requirements of Amended Rule 14.11(e)(4) and will be required to comply with the continued listing standards set forth in Amended Rule 14.11(e)(4).

### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act. As discussed above, the proposed change is intended to facilitate the continued listing and trading of the Fund on the Exchange, thereby promoting competition among exchange-traded products to the benefit of investors and the marketplace.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act<sup>8</sup> and Rule 19b-4(f)(6)<sup>9</sup> thereunder. Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; or (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>10</sup> and Rule 19b-4(f)(6)<sup>11</sup> thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)<sup>12</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>13</sup> the Commission may designate a shorter time if such action is consistent with protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because it will allow the Exchange to promptly list and trade the Fund Shares under Amended Rule 14.11(e)(4), thereby providing for the continued listing and trading of the Fund Shares, and does not introduce any novel regulatory issues. Accordingly, the Commission designates the proposed rule change to be operative upon filing.<sup>14</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of

In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-105245; File No. SR-PHLX-2026-23]

### Self-Regulatory Organizations; Nasdaq PHLX LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Fees for Certain Connectivity Services

April 15, 2026.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on April 10, 2026, Nasdaq PHLX LLC ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Exchange's fees for connectivity services, as described further below. The text of the proposed rule change is available on the Exchange's website at <https://listingcenter.nasdaq.com/rulebook/phlx/rulefilings>, and at the principal office of the Exchange.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The purpose of the proposed rule change is to amend Rule Options 7, Section 9 to increase the Exchange's fees

relating to its Testing Facilities<sup>3</sup> by 10%.<sup>4</sup> Rule Options 7, Section 9 provides that subscribers to the Testing Facility located in Carteret, New Jersey shall pay a fee of \$1,000 per hand-off, per month for connection to the Testing Facility. The hand-off fee includes either a 1Gb or 10Gb switch port and a cross connect to the Testing Facility. In addition, Options 7, Section 9 provides that subscribers shall also pay a one-time installation fee of \$1,000 per hand-off. The Exchange proposes to increase these aforementioned fees by 10% to require that subscribers to the Testing Facility shall pay a fee of \$1,100 per hand-off, per month for connection to the Testing Facility and a one-time installation fee of \$1,100 per hand-off.

The proposed increases in fees would enable the Exchange to maintain and improve its market technology and services to remain competitive with its peers. Over the years, customer demand for more sophisticated, higher-throughput, lower-latency, and higher-power connectivity solutions has increased. The Exchange continues to invest in maintaining, improving, and enhancing its connectivity products, services, and facilities for the benefit and often at the behest of its customers. Nevertheless, the Exchange has not increased the Testing Facility fees included in this proposal since before 2017. In this proposal, the Exchange proposes to increase such Testing Facility fees by 10%, consistent with the adjustments made to analogous services in the 2024 Proposal.<sup>5</sup>

As discussed below, the Exchange proposes to adjust its fees by an industry- and product-specific inflationary measure. It is reasonable and consistent with the Act for the Exchange to recoup its investments, at least in part, by adjusting its fees.

<sup>3</sup> The Exchange operates a test environment in Carteret, New Jersey. References to the "Testing Facility" refers to this test environment. See Rule Options 7, Section 9.E.

<sup>4</sup> The Exchange in 2024 filed a proposed rule change to amend, among other rules, Rule Equity 7 ("Pricing Schedule"), to increase certain fees for its Testing Facilities by 10 percent (10%). See Securities Exchange Act Release No. 101691 (Nov. 21, 2024), 89 FR 93697 (Nov. 27, 2024) (SR-PHLX-2024-57) ("2024 Proposal"). The Exchange now proposes a corresponding increase to the Testing Facility fees under Options 7, consistent with the basis for and rationale supporting the 2024 Proposal as it regards the Rule Equity 7 adjustments. As proposed, the proposal would thus align the Testing Facility fees under the Exchange's Options 7 Rule with those for the same services under its Equity Rules 7 as adjusted in the 2024 Proposal. The Exchange is proposing no other changes to its rules.

<sup>5</sup> See *supra* note 4 and accompanying text (discussing the 2024 Proposal in part and noting that this proposal would align the Testing Facility fees under the Exchange's Options 7 Rule with those for the corresponding services under its Equity Rule 7 as adjusted in the 2024 Proposal).
