V. Accelerated Approval of the Proposed Rule Change, as Modified by Amendment No. 1

The Commission finds good cause to approve the proposed rule change, as modified by Amendment No. 1, prior to the thirtieth day after the date of publication of notice of the filing of Amendment No. 1 in the **Federal Register**. Amendment No. 1 sets forth additional support and clarifying detail regarding the proposal. These changes (1) reflect changes made in LTSE-2026-09, which extended the time complimentary services may be provided from 4 years to 5 years; (2) provide additional description and support for certain aspects of the proposal; and (3) make other technical

and non-substantive changes for clarity and readability. Amendment No. 1 does not alter any substantive provisions of the remaining parts of the proposed rule change from what is set forth in the Notice, which was subject to public comment.

The Commission finds that Amendment No. 1 does not raise any novel regulatory issues that have not previously been subject to public comment and is reasonably designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediment to and perfect the mechanisms of a free and open market and a national market system, and, in general, to protect investors and the public interest, and not designed to permit unfair discrimination between customers, issuers, brokers, or dealers. Accordingly, the Commission finds good cause, pursuant to Section 19(b)(2) of the Act, to approve the proposed rule change, as modified by Amendment No. 1, on an accelerated basis.

VI. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,³⁷ that the proposed rule change (SR-LTSE-2025-31), as modified by Amendment No. 1, be and hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.³⁸

Sherry R. Haywood,
Assistant Secretary.
