SUPPLEMENTARY INFORMATION:

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

OMB Control Number: 2120-0770.

Title: Alternative Pilot Physical Examination and Education Requirements (BasicMed).

Form Numbers: FAA form 8700-2.

Type of Review: Renewal.

Background: The FAA will use this information to determine that individual pilots have met the requirements of section 2307 of Public Law 114-190. It is important for the FAA to know this information as the vast majority of pilots conducting operations described in section 2307 of Public Law 114-190 must either hold a valid medical certificate or be conducting operations using the requirements of section 2307 as an alternative to holding a medical certificate.

The FAA published a final rule, Alternative Pilot Physical Examination and Education Requirements, to implement the provisions of section 2307, on January 11, 2017.

Respondents: Approximately 50,000 individuals.

Frequency: Course: Once every two years; medical exam: once every four years.

Estimated Average Burden per Response: 21 minutes.

Estimated Total Annual Burden: 17,500 hours.

Issued in Washington, DC, on April 16, 2026.

Eugene H. McClure, III,
Manager, General Aviation and Commercial Division, Office of Safety Standards, Flight Standards Service.

Pipeline and Hazardous Materials Safety Administration

[Docket No. PHMSA-2019-0224; Notice No. 2026-03]

Hazardous Materials: Notice of Public Meetings in 2026 for International Standards on the Transport of Dangerous Goods

AGENCY: Pipeline and Hazardous Materials Safety Administration, Office of Hazardous Materials Safety, U.S. Department of Transportation

ACTION: Notice of 2026 public meetings.

SUMMARY: This notice announces that the Pipeline and Hazardous Materials Safety Administration (PHMSA) Office of Hazardous Materials Safety (OHMS) will host three public meetings during 2026 in advance of certain international meetings. The first meeting will be held in preparation for the 68th session of the United Nations Sub-Committee of Experts on the Transport of Dangerous Goods (UNSCOE TDG) scheduled for June 29 to July 8, 2026, in Geneva, Switzerland. The second meeting will be held in preparation for the International Civil Aviation Organization's (ICAO) Dangerous Goods Panel (DGP) Working Group 26 (WG/26) tentatively scheduled for October 2026 in Montreal, Canada. The third meeting will be held in preparation for the 69th session of the UNSCOE TDG scheduled for November 23 to December 1, 2026, in Geneva, Switzerland. For each of these meetings, PHMSA will solicit public input on current proposals.

Time and Location: Each public meeting will take place approximately five weeks preceding the international meeting either at Department of Transportation Headquarters, West Building, 1200 New Jersey Avenue SE, Washington, DC 20590-0001 with a

remote participation option, or in a fully remote capacity. Specific information for each meeting will be posted when available on the PHMSA website at www.phmsa.dot.gov/international-program/international-program-overview under "Upcoming Events." This information will include the public meeting date, time, remote access login, conference dial-in number, and details for advance registration.

FOR FURTHER INFORMATION CONTACT: Steven Webb or Aaron Wiener, U.S. Department of Transportation, Pipeline and Hazardous Materials Safety Administration, by phone at 202-366-8553.

SUPPLEMENTARY INFORMATION: The purpose of PHMSA's public meetings held in advance of certain international meetings is to allow the public to give input on the current proposals being considered by the international standards setting bodies.

The 68th and 69th sessions of UNSCOE TDG will represent the third and fourth meetings scheduled for the 2025-2026 biennium. UNSCOE TDG will consider proposals for the 25th Revised Edition of the *United Nations Recommendations on the Transport of Dangerous Goods: Model Regulations* (Model Regulations), which may be implemented into relevant domestic, regional, and international regulations starting January 1, 2029. Copies of working documents, informal documents, the agenda, and the post-meeting final report may be obtained from the United Nations Transport Division's website at www.unecce.org/trans/danger/danger.html.

The ICAO DGP-WG/26 meeting will represent the first meeting of the 2026-2027 biennium. ICAO DGP will consider proposals for the 2029-2030 edition of the *Technical Instructions for the Safe Transport of Dangerous Goods by Air* (Doc 9284). Copies of working papers, information papers, the agenda, and the post-meeting final report may be obtained from the ICAO DGP website at <https://www.icao.int/dangerous-goods/panel>.

Signed in Washington, DC, on April 20, 2026.

William Quade,

Acting Associate Administrator for Hazardous Materials Safety, Pipeline and Hazardous Materials Safety Administration.

DEPARTMENT OF TRANSPORTATION

Office of the Secretary of Transportation

[Docket No.: DOT-OST-2024-0127]

Solicitation of Proposals for Annual Combating Human Trafficking in Transportation Impact Awards

AGENCY: Office of the Secretary of Transportation, U.S. Department of Transportation.

ACTION: Notice; Solicitation of Proposals for Annual Awards.

SUMMARY: The annual Combating Human Trafficking in Transportation Impact Awards (the awards) seek to raise awareness among transportation stakeholders about human trafficking and increase training and prevention to combat the crime. The awards are a component of the Department of Transportation (DOT) Transportation Leaders Against Human Trafficking initiative. Additional information regarding the Department's counter-trafficking activities can be found at www.transportation.gov/stophumantrafficking.

The awards serve as an incentive for transportation stakeholders to creatively develop impactful and innovative counter-trafficking tools, initiatives, campaigns, and technologies that can help stop these heinous crimes, and as a platform to publicize and share the success of those efforts. The awards are open to individuals and entities, including non-governmental organizations, transportation industry associations, research institutions, and state and local government entities and organizations. Entrants compete for three cash awards: up to \$100,000 for first place, up to \$50,000 for second place, and up to \$25,000 for third place. These prizes are to be awarded to the individual(s) or entities selected for creating the most impactful and innovative counter-trafficking initiative or technology. DOT seeks to incentivize individuals and entities to think creatively in developing innovative solutions to combat human trafficking in the transportation industry, and to share those innovations with the broader community.

DATES: Submissions will be accepted from April 22, 2026 through 11:59pm EST on June 22, 2026 using the following Microsoft Forms link: <https://forms.office.com/g/eK20xQ50P2>.

FOR FURTHER INFORMATION CONTACT: For more information and to register your intent to compete individually or as part of a team, visit www.transportation.gov/
