

Accession Number: 20260417–5057.
Comment Date: 5 p.m. ET 4/29/26.

Any person desiring to intervene, to protest, or to answer a complaint in any of the above proceedings must file in accordance with Rules 211, 214, or 206 of the Commission's Regulations (18 CFR 385.211, 385.214, or 385.206) on or before 5:00 p.m. Eastern time on the specified comment date. Protests may be considered, but intervention is necessary to become a party to the proceeding.

The filings are accessible in the Commission's eLibrary system (<https://elibrary.ferc.gov/idmws/search/fercgensearch.asp>) by querying the docket number.

eFiling is encouraged. More detailed information relating to filing requirements, interventions, protests, service, and qualifying facilities filings can be found at: <http://www.ferc.gov/docs-filing/efiling/filing-req.pdf>. For other information, call (866) 208–3676 (toll free). For TTY, call (202) 502–8659.

For public inquiries and assistance with making filings such as interventions, comments, or requests for rehearing, contact the Office of Public Participation at (202) 502–6595 or OPP@ferc.gov.

[Docket No. ID–10316–001]

Burbure, Stacey L.; Notice of Filing

Take notice that on April 16, 2026, Stacey L. Burbure submitted for filing, application for authority to hold interlocking positions, pursuant to section 305(b) of the Federal Power Act, 16 U.S.C. 825d(b) and Part 45.8 of the Federal Energy Regulatory Commission's (Commission) Rules of Practice and Procedure, 18 CFR part 45.8.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of

intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

In addition to publishing the full text of this document in the **Federal Register**, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the internet through the Commission's Home Page (<http://www.ferc.gov>). [Docket No. AD26-6-000]

Notice of Availability of the Draft Section 9.0 Security Program for Hydropower Guidance and Request for Comments

The staff of the Office of Energy Projects (OEP) has revised Section 9.0 of its *Security Program for Hydropower Guidance (Guidance)* to modernize the Commission's existing guidance for

cybersecurity practices at licensed projects. The Section 9.0 revisions reflect technological advancements and lessons learned through recent inspections and audits. The revised Section 9.0 *Guidance* updates definitions, applicability criteria, and the technical measures used to evaluate and protect cyber and control-system assets. The staff is asking for public input and suggestions for modifications to the Section 9.0 revisions of the *Guidance* from hydropower owners and operators, federal and state agencies, and other interested parties with expertise in the implementation of cybersecurity practices. The more specific your comments, the more useful they will be. Please note that this comment period will close on Monday, May 18, 2026, 5:00 p.m. Eastern Time.

The revised Section 9.0 *Guidance* may be accessed on the Commission's website via eLibrary | General search. Select "General Search" and enter the docket number (AD26-6) in the docket number field to access the document. For assistance, please contact FERC Online Support at FercOnlineSupport@ferc.gov, toll free at (866) 208-3676, or for TTY, contact (202) 502-8659.

For your convenience, there are three methods you can use to submit your comments to the Commission. In all instances, please reference the docket number (AD26-6-000) with your submission.

1. You can file your comments electronically using the eComment feature on the Commission's website (www.ferc.gov) under the link to FERC Online. This is an easy method for submitting brief, text-only comments;

2. You can file your comments electronically by using the eFiling feature on the Commission's website (www.ferc.gov) under the link to FERC Online. With eFiling, you can provide comments in a variety of formats by attaching them as a file with your submission. New eFiling users must first create an account by clicking on "eRegister." Please select "Comment on a Filing" as the filing type; or

3. You can file a paper copy of your comments by mailing them to the Commission. Submissions sent via the U.S. Postal Service must be addressed to: Debbie-Anne A. Reese, Secretary, Federal Energy Regulatory Commission, 888 First Street NE, Room 1A, Washington, DC 20426. Submissions sent via any other carrier must be addressed to: Debbie-Anne A. Reese, Secretary, Federal Energy Regulatory Commission, 12225 Wilkins Avenue, Rockville, Maryland 20852.

In addition, the Commission offers a free service called eSubscription that

allows you to keep track of all formal issuances and submittals in specific dockets. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. Go to <https://www.ferc.gov/ferc-online/overview> to register for eSubscription.

[Docket No. CP26-136-000]

Kinder Morgan Louisiana Pipeline LLC; Notice of Scoping Period Requesting Comments on Environmental Issues for the Proposed Texas Access Project

The staff of the Federal Energy Regulatory Commission (FERC or Commission) will prepare an environmental document that will discuss the environmental impacts of the Texas Access Project involving construction and operation of facilities by Kinder Morgan Louisiana Pipeline LLC (KMLP) from Jefferson County, Texas into Cameron and Calcasieu Parishes, Louisiana. The Commission will use this environmental document in its decision-making process to determine whether the project is in the public convenience and necessity.

This notice announces the opening of the scoping process the Commission will use to gather input from the public and interested agencies regarding the project. As part of the National Environmental Policy Act (NEPA) review process, the Commission takes into account concerns the public may have about proposals and the environmental impacts that could result from its action whenever it considers the issuance of a Certificate of Public Convenience and Necessity. This gathering of public input is referred to as "scoping." The main goal of the scoping process is to focus the analysis in the environmental document on the important environmental issues. Additional information about the Commission's NEPA process is described below in the *NEPA Process and Environmental Document* section of this notice.

By this notice, the Commission requests public comments on the scope
