DEPARTMENT OF JUSTICE

Antitrust Division

Notice Pursuant to the Defense Production Act of 1950

AGENCY: Antitrust Division, U.S. Department of Justice.

ACTION: Notice of review of revised voluntary agreement.

SUMMARY: Notice is hereby given pursuant to section 708 of the Defense Production Act of 1950 ("DPA"), that the Acting Assistant Attorney General finds, with respect to the Implementing Voluntary Agreements Under the Defense Production Act ("Voluntary Agreement") proposed by the Department of Energy ("DOE"), that the purposes of section 708(c)(1) of the DPA may not reasonably be achieved through a voluntary agreement having less anticompetitive effects or without any voluntary agreement. Given this finding, the proposed revised Voluntary Agreement may become effective following the publication of this notice.

SUPPLEMENTARY INFORMATION: Under the DPA, DOE may enter into plans with representatives of private industry for the purpose of improving the efficiency with which private firms contribute to the national defense when conditions exist that may pose a direct threat to the national defense or its preparedness. Such arrangements are generally known as "voluntary agreements." Participants in an existing voluntary agreement may adopt documented methods, known as "plans of action," to implement that voluntary agreement. A defense to actions brought under the antitrust laws is available to each participant acting within the scope of a voluntary agreement and plan of action that has come into force under the DPA.

The DPA requires that each proposed plan of action be reviewed by the Attorney General prior to becoming effective. If, after consulting with the Chair of the Federal Trade Commission, the Attorney General finds that the purposes of the DPA's plans of action provision "may not reasonably be achieved through a . . . voluntary agreement having less anticompetitive effects or without any . . . voluntary agreement," the voluntary agreement may become effective. 50 U.S.C. 4558(f)(1)(B). All functions which the Attorney General is required or authorized to perform by section 708 of the DPA have been delegated to the Assistant Attorney General, Antitrust Division. 28 CFR 0.40(l).
