OPM Privacy and Risk Management Office: [privacy@opm.gov](mailto:privacy@opm.gov). Office of Personnel Management, 1900 E Street NW, Washington, DC 20415-0001.

**SUPPLEMENTARY INFORMATION:** On March 25, 2025, President Trump issued Executive Order (E.O.) 14249, *Protecting America’s Bank Account Against Fraud, Waste, and Abuse*, which instructs agencies, including OPM, to “review and modify, as applicable, their relevant system of records notices under the Privacy Act of 1974 to include a “routine use” that allows for the disclosure of records to the Department of the Treasury for the purposes of identifying, preventing, or recouping fraud and improper payments, to the extent permissible by law.”

In support of this effort, the Office of Management and Budget (OMB) issued Memorandum M-25-32, *Preventing Improper Payments and Protecting Privacy Through Do Not Pay*, which requires agencies to review and update their system of records notices, as relevant and necessary, to include a routine use permitting disclosure of records to the Department of the Treasury, including the Do Not Pay Working System, to support payment

and award eligibility review and improper payment prevention and recovery activities. The memorandum further directs agencies to use Treasury’s Do Not Pay capabilities, consistent with applicable privacy protections, to verify eligibility, detect fraud, and prevent and recoup improper payments.

To ensure compliance with E.O. 14249 and OMB Memorandum M-25-32, OPM conducted a review of its system of records notices and identified those requiring modification. Accordingly, OPM is proposing to add a routine use to each relevant system of records listed in this notice to permit disclosure of records to the Department of the Treasury for these purposes.

In accordance with 5 U.S.C. 552a(r), OPM provided this notice to modify the system of records to the Office of Management and Budget and to Congress. These modifications will also be included in OPM’s inventory of record systems.

**Signing Statement**

The Director of OPM, Scott Kupor, reviewed and approved this document and has authorized the undersigned to electronically sign and submit this document to the Office of the Federal Register for publication.
