

government securities that also have low credit, liquidity and market risks. Likewise, LCH SA is proposing conservative haircuts aligned with the current Haircut Schedule for U.S. government securities. As part of the Proposed Rule Change, LCH SA will apply higher haircuts for TIPS to align with the liquidity profile of such securities and will establish a fixed dollar concentration at the individual Clearing Member and Clearing Member Group level. LCH SA will also review the established haircuts and concentration limits<sup>17</sup> of the additional U.S. government securities in its assessment of its non-cash collateral haircuts on an ongoing basis. Therefore, LCH SA believes that the Proposed Rule Change is consistent with Rule 17Ad-22(e)(5)<sup>18</sup>.

#### *B. Clearing Agency's Statement on Burden on Competition*

Section 17A(b)(3)(I) of the Act requires that the rules of a clearing agency not impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.<sup>19</sup> LCH SA does not believe that the Proposed Rule Change would impose burdens on competition that are not necessary or appropriate in furtherance of the purposes of the Act. The Proposed Rule Change would extend the list of eligible collateral CDSClear Clearing Members may post as margin to include Notes, Bonds, FRNs and TIPS. LCH SA is proposing to expand eligibility to further support the expansion of its CDSClear business, including by addressing Clearing Member collateral management needs. By extending the list of eligible collateral to include additional U.S. government securities to support CDSClear Clearing Member collateral management needs, LCH SA does not believe that the Proposed Rule Change would impose a burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

#### *C. Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others*

## **SOCIAL SECURITY ADMINISTRATION**

[Docket No: SSA-2026-0298]

### **Agency Information Collection Activities: Proposed Request**

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes revisions of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB) Office of Management and Budget, Attn: Desk Officer for SSA.  
(SSA) Social Security Administration, OLCA, Attn: Reports Clearance Director, Mail Stop 3253 Altmeyer, 6401 Security Blvd., Baltimore, MD 21235, Fax: 833-410-1631, Email address: [OR.Reports.Clearance@ssa.gov](mailto:OR.Reports.Clearance@ssa.gov).

Or you may submit your comments online through <https://www.reginfo.gov/public/do/PRAmain> by clicking on Currently under Review—Open for Public Comments and choosing to click on one of SSA's published items. Please reference Docket ID Number [SSA-2026-0298] in your submitted response.

I. The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than June 26, 2026. Individuals can obtain copies of

<sup>20</sup> 17 CFR 200.30-3(a)(12).

the collection instruments by writing to the above email address.

1. Application for Widower's or Widower's Insurance Benefits—20 CFR 404.335–404.338, & 404.603—0960–0004. Section 202(e) and 202(f) of the Social Security Act (Act) set forth the requirements for entitlement to widow(er)'s benefits, including the requirements to file an application. For

SSA to make a formal determination for entitlement to widow(er)'s benefits, we use Form SSA–10 to determine whether an applicant meets the statutory and regulatory conditions for entitlement to widow(er)'s Title II benefits. SSA employees interview individuals applying for benefits either face-to-face or via telephone and enter the information on the paper form or into

the Modernized Claims System (MCS). In addition, respondents may mail the completed paper form to SSA, or submit a completed fillable static PDF webform through our Upload Documents portal (OMB No. 0960–0830). The respondents are applicants for widow(er)'s benefits.

*Type of Request:* Revision of an OMB-approved information collection.

This figure reflects both data from our systems and the data posted on our public facing website (Social Security performance | SSA) on the date we drafted this document. As the figures fluctuate daily, the wait times may be different on the website than they appear here. We continue to monitor our website and management information data on call back times to ensure we report updated figures when possible.

2. Application for Lump Sum Death Payment—20 CFR 404.390–404.392—0960–0013. SSA uses Form SSA–8 to collect information needed to authorize payment of the lump sum death payment (LSDP) to a surviving individual (e.g., widow, widower, or children of the deceased, etc.) as defined in section 202(i) of the Act. Respondents complete the application

for this one-time payment through: (1) use of the paper form; (2) the internet modality through the Universal Benefits Application portal, (3) submission of a completed fillable static PDF webform through our Upload Documents portal (OMB No. 0960–0830), or (4) a personal interview with an SSA employee either via telephone, or in a field office. For all personal interviews (either telephone or

in-person), we collect the information via our electronic Modernized Claim System (MCS) screens. When a respondent completes the paper Form SSA–8, they mail it back to SSA. The respondents are applicants for the LSDP.

3. Request for Withdrawal of Application—20 CFR 404.640—0960–0015. Form SSA–521, Request for Withdrawal of Application, allows claimants to specify which application they want to withdraw and the reason for the withdrawal. Form SSA–521 is our preferred instrument for a

withdrawal request; however, any written request for withdrawal signed by the claimant or a proper applicant on the claimant's behalf will suffice. Individuals who wish to withdraw their applications for benefits complete Form SSA–521 or sign the completed form for each request to withdraw. SSA uses the

information from Form SSA–521 to process the request for withdrawal. The respondents are applicants for Retirement, Survivors, Disability, and Health Insurance benefits.

4. Letter to Employer Requesting Information About Wages Earned by Beneficiary—20 CFR 404.1520, 404.1571-404.1576, 404.1584-404.1593, and 416.971-416.976—0960-0034. Social Security disability recipients receive payments based on their inability to engage in substantial gainful activity (SGA) because of physical or mental condition. If the recipients work,

the SSA must evaluate and determine if they continue to meet the disability requirements of the law. When an individual is unable to provide earnings information and SSA does not have access to proof of earnings, we use Form SSA-L725 to request monthly earnings information from the recipient's employer. SSA employees send the paper form SSA-L725 to the employer

to complete and use the earnings data we receive from the employers to determine whether the recipient is engaging in SGA, since work above SGA level can cause a cessation of disability payments. The respondents are businesses that employ Social Security disability recipients.

5. Letter to Employer Requesting Wage Information—20 CFR 416.203 & 416.1110—0960-0138. SSA must establish and verify wage information for Supplemental Security Income (SSI) applicants and recipients when

determining SSI eligibility and payment amounts. SSA collects wage data from employers on Form SSA-L4201-BK to determine eligibility and proper payment amounts for SSI applicants and recipients. The respondents are

employers of SSI applicants and recipients.

6. Continuation of Supplemental Security Income Payments for the Temporarily Institutionalized—Certification of Period and Need to Maintain Home—20 CFR 416.212(b)(1)—0960-0516. When SSI recipients: (1) enter a public institution; or (2) enter a private medical treatment facility with Medicaid paying more than 50 percent of expenses, SSA reduces recipients' SSI payments to a nominal sum. However, if this institutionalization is temporary (defined as a maximum of three months), SSA may waive the reduction.

Before SSA can waive the SSI payment reduction, the agency must receive the following documentation: (1) A physician's certification stating the SSI recipient will only be institutionalized for a maximum of three months; and (2) statement from the recipient (or someone knowledgeable about the recipient's circumstances, such as a representative payee, family member, or friend), confirming the recipient needs SSI payments to maintain the living arrangements to which the individual will return post-institutionalization. To obtain this information, SSA employees

contact the recipient (or a knowledgeable source) to collect the required physician's certification and the statement of need. SSA does not require any specific format for these items, so long as we obtain the necessary attestations; however, SSA allows the use of Form SSA-186 as a convenient way to notify SSA, request continued benefits, and obtain physician certification on one document. The respondents are SSI recipients or individuals with knowledge of their circumstances such as representative payees, family

members, or friends, as well as physicians or hospital staff members who treat the SSI recipient.

7. Certification of Low Birth Weight for SSI Eligibility—20 CFR 416.924, 416.926, and 416.931—0960-0720. Hospitals and claimants use Form SSA-3830 to provide medical information to local field offices (FO) and the Disability Determination Services (DDS) on behalf

of infants with low birth weight. FOs use the form as a protective filing statement and the medical information to make presumptive disability findings, which allow expedited payment to eligible claimants. DDSs use the medical information to determine disability and

continuing disability. The respondents are hospitals and claimants who have information identifying low birth weight babies and their medical conditions.

8. Authorization for the Social Security Administration to Obtain Account Records from a Financial Institution and Request for Records (Medicare)—20 CFR 418.3420—0960-0729. The Medicare Prescription Drug, Improvement, and Modernization Act of 2003 (MMA) established the Medicare Part D program for voluntary prescription drug coverage of premium, deductible, and copayment costs for individuals with limited income and

resources. The MMA mandates that the Government provide subsidies for those individuals who qualify for the program, and who meet eligibility criteria for help with premium, deductible, or co-payment costs. SSA uses the SSA-4640, Authorization for the Social Security Administration to Obtain Account Records from a Financial Institution and Request for Records (Medicare), to determine if subsidy applicants or recipients qualify,

or continue to qualify, for the subsidy. SSA uses Form SSA-4640 to: (1) obtain the individual's consent to verify balances of financial institution (FI) accounts; and (2) obtain verification of such balances from the FI. Respondents are Medicare Part D program subsidy applicants or claimants, and their financial institutions.

9. Financial Disclosure for Civil Monetary Penalty (CMP) Debt—20 CFR

498—0960-0776. When SSA imposes a CMP on individuals for various

fraudulent conduct related to SSA-administrated programs, those

individuals may request to pay the CMP through benefit withholding, or an installment agreement. To negotiate a monthly payment amount, fair to both the individual and the agency, SSA needs financial information from the

individual. SSA uses Form SSA-640, to obtain the information necessary to determine a monthly installment repayment rate for individuals owing a CMP. The respondents are recipients of Social Security benefits and non-

entitled individuals who must repay a CMP to the agency and choose to do so using an installment plan.

**Agency Information Collection Activities; Renewal of a Previously Approved Information Collection: Oil and Gas Industry Safety Data Program**

**AGENCY:** Bureau of Transportation Statistics (BTS), Department of Transportation (DOT).

**ACTION:** 60-Day notice and request for comments.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995, BTS announces its plan to submit the information collection request (ICR) described below to the Office of Management and Budget (OMB) for its review and approval and invites public comment. BTS is requesting approval to renew an existing ICR 2138-0048, Industry Safety Data Program. The Oil and Gas Industry Safety Data (ISD) program is a component of BTS' SafeOCS data sharing framework, which provides a trusted, proactive means for the offshore oil and gas industry to report sensitive and proprietary safety information and to identify early warnings of potential safety issues not previously exposed from analysis of reportable accidents and incidents. The program is sponsored by the Department of the Interior and operated independently by BTS. Companies participating in the ISD program voluntarily submit safety data; there is no regulatory requirement to submit
