

H. I am importing Chinese-origin landing gear subassemblies, whether finished or unfinished, that could be used to produce chassis or subassemblies thereof.

i. I certify that the Chinese-origin landing gear assemblies, whether finished or unfinished, that I am importing are not for connection to a chassis frame or being imported together with a subject finished or unfinished chassis.

ii. I certify that the Chinese-origin landing gear assemblies, whether finished or unfinished, that I am importing are not entered with or for further assembly with other Chinese-origin landing gear components to produce unfinished or finished landing gear subassemblies for connection to a chassis frame. Imported together means on the same bill of lading. Parts on the same bill of lading are considered to be imported together even if they are entered in different containers, separate entries, or on different invoices.

iii. I also certify that neither my company nor a related entity will assemble these parts with a subject subassembly or a subject unfinished chassis to produce a finished chassis. For purposes of this certification, a related entity is any entity that has a connection to the importer, whether through ownership, control, contracts, or close supplier/customer relationship.

I. I understand that {IMPORTING COMPANY} is required to submit a copy of the importer certification, the commercial invoice, and the bill of lading as part of the entry summary by uploading them into the document imaging system (DIS) in ACE at the time of entry, and to provide U.S. Customs and Border Protection (CBP) and/or the U.S. Department of Commerce (Commerce) with the importer certification, and any supporting documentation upon request of either agency. Consistent with CBP's procedures, importers shall identify certified entries by using importers' additional declaration (record 54) AD/CVD Certification Designation (type code 06) when filing entry summary.

J. I understand that {IMPORTING COMPANY} is required to maintain a copy of this certification and sufficient documentation supporting this certification (*i.e.*, documents maintained in the normal course of business, or documents obtained by the certifying party) until the later of (1) the date that is five years after the latest entry date of the entries covered by the certification or (2) the date that is three years after the conclusion of any litigation in the United States courts regarding such entries.

K. I understand that the claims made herein, and the substantiating documentation, are subject to verification by CBP and/or Commerce.

L. I understand that failure to maintain the required certification and supporting documentation, or failure to substantiate the claims made herein, or not allowing CBP and/or Commerce to verify the claims made herein, may result in a *de facto* determination that all entries to which this certification applies are within the scope of the antidumping duty and countervailing duty orders on certain chassis and subassemblies thereof from China. I understand that such finding will result in:

i. suspension of liquidation of all unliquidated entries (and entries for which liquidation has not become final) for which these requirements were not met;

ii. the importer being required to post the antidumping duty and countervailing duty cash deposits determined by Commerce; and

iii. the importer no longer being allowed to participate in the certification process.

M. I understand that agents of the importer, such as brokers, are not permitted to make this certification.

N. This certification was completed by the time of filing the entry summary.

O. I am aware that U.S. law (including, but not limited to, 18 U.S.C. 1001) imposes criminal sanctions on individuals who knowingly and willfully make material false statements to the U.S. government.

P. I understand that the signature of the importing company official must be a digital signature, electronic signature, or handwritten signature. A digital signature is an electronic signature based upon cryptographic methods of originator authentication, computed by using a set of rules and a set of parameters such that the identity of the signer and the integrity of the data can be verified, such as an Adobe PDF Digital Certificate. An electronic signature is a computer data compilation of any symbol or series of symbols executed, adopted, or authorized by an individual to be the legally binding equivalent of the individual's handwritten signature.

Q. I understand that corrections to this certification must be filed in the ACE DIS within 30 days of the entry-summary date.

North Pacific Fishery Management Council; Notice of Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of a hybrid public meeting.

SUMMARY: North Pacific Fishery Management Council will host a meeting of the Council Coordination Committee (CCC), consisting of the Regional Fishery Management Council chairs, vice chairs, and executive directors on May 19 through May 21, 2026.

DATES: The CCC will begin at 1 p.m. on Tuesday May 19, 2026, recess at 5 p.m.;

and reconvene at 9 a.m. on Wednesday, May 20, 2026, recess at 5 p.m.; and reconvene at 9 a.m. Thursday, May 21, 2026 and adjourn at 5 p.m. or when business is complete.

ADDRESSES: Lands End Resort, 4786 Homer Spit Rd., Homer, AK. Join online through the link at <https://www.fisherycouncils.org/ccc-meetings/may-2026>.

Council address: North Pacific Fishery Management Council, 1007 West 3rd Ave., Suite 400, Anchorage, AK 99501-2252; telephone: (907) 271-2809.

FOR FURTHER INFORMATION CONTACT: Diana Evans, Executive Director; phone: (907) 271-2809; email: devans@npfmc.org. For technical support, please contact our admin Council staff, email: support@npfmc.org; telephone: (907) 271-2809.

SUPPLEMENTARY INFORMATION:

Agenda

Tuesday, May 19, 2026, Through Thursday, May 21, 2026

CCC Session: The agenda for the CCC's plenary session will include the following issues.

1. Approval of Agenda
2. Magnuson-Stevens Fishery Conservation and Management Act (MSA) 50th Anniversary
3. Council Updates, Priorities, and Needs
4. NOAA Fisheries Update and 2026/2027 Priorities
5. Budget and Council Funding Update
6. NOAA Fisheries Science Updates
7. Executive Order 14276 Restoring American Seafood Competitiveness (NOAA Fisheries)
8. Risk/Value Matrix (NOAA Fisheries)
9. Legislative Outlook
10. Marine Resource Education Program MREP National Program
11. Joint Presentation from Marine Fisheries Commissions
12. Internal Affairs Updates
13. National Environmental Policy Act (NEPA) Updates
14. Council Coordination Committee (CCC) and Work Group Reports
15. Future Meeting Planning
16. Other Business

The agenda is subject to change, and the latest version will be posted at <https://www.fisherycouncils.org/ccc-meetings/may-2026> prior to the meeting, along with meeting materials.

Connection Information

You can attend the meeting online using a computer, tablet, or smartphone, or by phone only. Connection information will be posted online at:

<https://www.fisherycouncils.org/cc-meetings/may-2026>.

Public Comment

Public comment letters will be accepted and should be submitted either electronically to Council staff at support@npfmc.org or by mail to the North Pacific Fishery Management Council, 1007 West 3rd Ave., Suite 400, Anchorage, AK 99501-2252. Information will also be posted online at: <https://www.fisherycouncils.org/cc-meetings/may-2026>.

Fisheries of the South Atlantic; Southeast Data, Assessment, and Review; Public Meeting

AGENCY: National Marine Fisheries Service, National Oceanic and Atmospheric Administration, Commerce.

ACTION: ACTION: Notice of webinar.

SUMMARY: The Southeast Data Assessment and Review (SEDAR) 90 assessment process of South Atlantic Red Snapper will consist of a Data Workshop, a series of Assessment Webinars, and a Review Workshop. See **SUPPLEMENTARY INFORMATION.**

DATES: The SEDAR 90 Assessment Webinar 6 will be held from 1 p.m. until 4 p.m. EDT May 18, 2026.

ADDRESSES: *SEDAR address:* 4055 Faber Place Drive, Suite 201, North Charleston, SC 29405.

www.sedarweb.org. Meeting address: The SEDAR 90 Assessment Webinar 6 will be held via webinar. The webinar is open to members of the public. The established times may be adjusted as necessary to accommodate the timely completion of discussion relevant to the assessment process. Such adjustments may result in the meeting being extended from or completed prior to the time established by this notice.

FOR FURTHER INFORMATION CONTACT: Emily Ott, SEDAR Coordinator; (843) 302-8434. Email: Emily.Ott@safmc.net.

SUPPLEMENTARY INFORMATION: The Gulf, South Atlantic, and Caribbean Fishery

Management Councils, in conjunction with the National Marine Fisheries Service and the Atlantic and Gulf States Marine Fisheries Commissions have implemented the SEDAR process. SEDAR is a participatory process for developing, evaluating and reviewing information used for fisheries management advice. This multi-step process for determining the status of fish stocks in the Southeast Region may include (1) a Data stage, and (2) an Assessment stage, and (3) a Review stage. Each stage produces a report summarizing decisions made during that stage. A final stock assessment report is produced at the end of a SEDAR process documenting data sets used, model configurations and the opinions from the independent peer review. Participants for SEDAR projects are appointed by the Gulf, South Atlantic, and Caribbean Fishery Management Councils and National Marine Fisheries Service Southeast Regional Office, HMS Management Division, and Southeast Fisheries Science Center. Participants may include data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and non-governmental organizations (NGO's); International experts; and staff of Councils, Commissions, and state and Federal agencies.

The items of discussion in the SEDAR 90 Assessment Webinar 6 are as follows:

Participants will Review recommendations made on assessment webinar 5, continue discussion of new modeling topics. Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to the Council office (see **ADDRESSES**) at least 5 business days prior to each workshop.

Note: The times and sequence specified in this agenda are subject to change.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: April 22, 2026.

Key Israel Marquez,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

Takes of Marine Mammals Incidental to Specified Activities; Taking Marine Mammals Incidental to U.S. Army Corps of Engineers Miller Sands Island, Rice Island, and Cottonwood Island Pile Dike Repairs Projects on the Lower Columbia River in Oregon and Washington

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; proposed incidental harassment authorizations; request for comments on proposed authorizations and possible renewals.

SUMMARY: NMFS has received a request from U.S. Army Corps of Engineers (USACE) for authorization to take marine mammals incidental to the Miller Sands-Rice Island Pile Dike Repairs Project (MSRI Project) and Cottonwood Island Pile Dike Replacement Project (CI Project) on the lower Columbia River (LCR) in Oregon and Washington. Pursuant to the Marine Mammal Protection Act (MMPA), NMFS is requesting comments on its proposal to issue two incidental harassment authorizations (IHAs) to incidentally take marine mammals during the specified activities. NMFS is also requesting comments on possible one-time, 1-year renewals that could be issued under certain circumstances and if all requirements are met, as described in Request for Public Comments at the end of this notice. NMFS will consider public comments prior to making any final decision on the issuance of the requested MMPA authorizations and agency responses will be summarized in the final notice of our decision.

DATES: Comments and information must be received no later than May 27, 2026.

ADDRESSES: Comments should be addressed to Permits and Conservation Division, Office of Protected Resources, National Marine Fisheries Service and should be submitted via email to ITP.demarest@noaa.gov. Electronic
