**FOR FURTHER INFORMATION CONTACT:** To request more information on this information collection or to obtain a copy of the proposal and associated collection instruments, please write to the Office of the Deputy Assistant Secretary of War (Housing) at 4800 Mark Center Drive, Suite 16F16, Alexandria, VA 22311; ATTN: Ms. Dawn Carroll, or call 703-545-4987.

**SUPPLEMENTARY INFORMATION:**

*Title; Associated Form; and OMB Number:* Military Housing Virtual Assistance; OMB Control Number 0703-0066.

*Needs and Uses:* The Department of War (DoW) is required by law to provide comprehensive relocation and housing assistance to service members and their families. This information collection is necessary to operate the enterprise Military Housing System (eMH) suite of tools, which enables the DoW to meet its legal obligations to provide home-finding services and manage military housing programs effectively.

The information collected is used to support service members and their families through several web-based applications:

- *HOMES.mil Rental Listing Service:* Property owners voluntarily provide information to list rental properties, creating a centralized inventory for service members seeking community housing. Service members can view listings and request assistance from military housing offices. The data also supports the calculation of housing allowances.

- *Housing Early Assistance Tool (HEAT):* Service members and their families use this tool to submit requests for information and housing services directly to their destination installation's military housing office.

- *DoD Housing Feedback System (DHFS):* This platform allows active-duty service members and their dependents to submit feedback, comments, or concerns about their experiences in privatized military housing, promoting transparency and accountability with housing providers.

- *Navy Housing Maintenance Request Service (HMRS):* This tool enables Navy residents in unaccompanied housing to quickly and conveniently submit maintenance requests, expediting repair actions.

This information collection is authorized by 10 U.S.C. 1056, 10 U.S.C. 2831, and DoD Instruction 4165.63.
