#### Protests

Pursuant to section 157.205 of the Commission's regulations under the NGA,<sup>3</sup> any person<sup>4</sup> or the Commission's staff may file a protest to the request. If no protest is filed within the time allowed or if a protest is filed and then withdrawn within 30 days after the allowed time for filing a protest, the proposed activity shall be deemed to be authorized effective the day after the time allowed for protest. #### Interventions

Any person has the option to file a motion to intervene in this proceeding. Only intervenors have the right to request rehearing of Commission orders issued in this proceeding and to subsequently challenge the Commission's orders in the U.S. Circuit Courts of Appeal.

To intervene, you must submit a motion to intervene to the Commission in accordance with Rule 214 of the Commission's Rules of Practice and Procedure<sup>6</sup> and the regulations under the NGA<sup>7</sup> by the intervention deadline for the project, which is 5:00 p.m. Eastern Time on June 26, 2026. For an individual, this could include your status as a landowner, ratepayer, resident of an impacted community, or recreationist. You do not need to have property directly impacted by the project in order to intervene. For more information about motions to intervene, refer to the FERC website at <https://www.ferc.gov/resources/guides/how-to/intervene.asp>.

#### Chugach Electric Association, Inc.; Notice Reopening Comment Period

On February 17, 2026, the Chugach Electric Association, Inc. filed a declaration of intention to develop the Caribou Creek Hydropower Project. The proposed project would be located on Caribou Creek, in the town of Glacier View, in Matanuska-Susitna Borough,

Alaska. The project would not occupy federal land. All lands associated with the proposed project are owned by the state of Alaska or Cook Inlet Region, Inc.

On March 19, 2026, Commission staff issued public notice of the application and requested comments, motions to intervene, and protests, and established a due date for any responses to be filed by April 20, 2026.

Commenters stated that they encountered difficulties filing comments using the Commission's eFiling system, and the Chickaloon Native Village filed a request to extend the comment period to ensure that stakeholders have an opportunity to provide information. The Chickaloon Native Village requests that the comment period be extended until May 20, 2026.

Commission staff have reviewed the docket and the Chickaloon Native Village's request and, due to the difficulties that commenters experienced using the Commission's eFiling system, we are reopening the comment period. The deadline for filing comments, interventions, and protests is May 8, 2026, 5:00 p.m. Eastern Time. The Commission's eComment system is not available for Declaration of Intention (or DI) dockets. Accordingly, individuals intending to file comments must use the Commission's eFiling system at <http://www.ferc.gov/docs-filing/efiling.asp>.
