#### Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 concerning opportunity for public comment on proposed collections of information, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish periodic summaries of proposed projects. To request more

information on the proposed projects or to obtain a copy of the information collection plans, call the SAMHSA Reports Clearance Officer at (240) 276-0548.

*Comments are invited on:* (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

#### Proposed Project: Projects for Assistance in Transition From Homelessness (PATH) Program Annual Report (OMB No. 0930-0205)—Revision

SAMHSA awards PATH grants each fiscal year to states, the District of Columbia, the Commonwealth of Puerto Rico, the U. S. Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands (hereafter referred to as "states"), from allotments authorized under the PATH program established by Public Law 101-645, 42 U.S.C. 290cc-21 *et seq.*, the Stewart B. McKinney Homeless Assistance Amendments Act of 1990 [Section 521 *et seq.* of the Public Health Service (PHS) Act and the 21st Century Cures Act (Pub. L. 114-255), hereafter referred to as "the Act"]. Section 522 of the Act specifies that states must expend their payments solely for making grants to political subdivisions of the state, and to non-profit private entities (including community-based veterans' organizations and other community organizations) for the purpose of providing services specified in the Act. Available funding is allotted in accordance with the formula provision of Section 524 of the PHS Act.

This submission is for the revision to the approved PATH Annual Report Manual. Section 528 of the Act specifies, not later than January 31 of each fiscal year, a funded entity will "prepare and submit to the Secretary a report in such form and containing such information as the Secretary determines to be necessary for: (1) securing a record and a description of the purposes for which amounts received under Section 521 were expended during the preceding fiscal year and of the recipients of such amounts; and (2) determining whether such amounts

were expended in accordance with the provisions of this part.”

The proposed revisions to the PATH 2026 Annual Report Manual are as follows:

**Homeless Management Information System (HMIS) Data Standards Updates**

In September 2025, HUD released the FY2026 Data Standards. HMIS Leads and System Administrators were notified of the changes and HMIS software vendors were given access to

the necessary programming documentation and were instructed to be ready to deploy by October 1, 2025. The FY2026 updates included HMIS PATH Programming Specifications (Version 1.0), which removed the demographic question for gender, added the demographic question for sex, and updated the label for a question on Hispanic ethnicity. Field response options and questions have been updated to align with the most recent version of the HMIS Data Standards.

*Summary of Changes*

- Q26a: Removed question including Gender information
- Q26c: Updated label for Hispanic/Latina/e/o to Hispanic/Latina/o
- Q26l: Added question including Sex information

The requested revisions will not increase the overall burden.

The estimated annual burden for these reporting requirements is summarized in the table below.

Instrument/Activity	Respondents	Number of Respondents	Responses per Respondent	Total Responses	Hours per Response	Total Hour Burden	Hourly Wage Rate	Total Hour Cost
Annual Report Completion	States	56	1	56	15	840	\$38.74	\$32,541.60
Annual Report Completion	Local provider agencies	408	1	408	15	6,120	\$38.74	\$237,088.80
<b>Total</b>	-	<b>464</b>	-	<b>464</b>	-	<b>6,960</b>	-	<b>\$269,630.40</b>
