Title: Application in Acquiring Specially Adapted Housing (SAH) or Special Home Adaptation (SHA) Grant (VA Form 26-4555).

Type of Review: Revision of a currently approved collection.

Abstract: VA Form 26-4555 is used to gather the necessary information to determine the eligibility for the Veteran or service member for specially adapted housing or for a special home adaptation grant. The estimated burden hours have increased compared to the prior submission because VA is now including the collections related to the construction and adaptation process. For this renewal, the estimated respondent burden has increased to account for documentation requirements associated with construction and adaptation activities, which increased the number of participating respondents from 7,000 to 11,200 and, in turn, increased the total annual burden hours.

Affected Public: Individuals.

Estimated Annual Burden: 4,293 hours.

Estimated Average Burden per Respondent: 23 minutes.

Frequency of Response: Annually.
Estimated Number of Respondents: 11,200.

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act (PRA) of 1995, this notice announces that the Veterans Health Administration (VHA), Department of Veterans Affairs (VA), will submit the collection of information abstracted below to the Office of Management and Budget (OMB) for review and comment. VA PRA information: Dorothy Glasgow, 202-461-1084, VAPRA@va.gov.

SUPPLEMENTARY INFORMATION:

Title: Application for Annual Clothing Allowance (VA Form 10-8678).

OMB Control Number: 2900-0198. <https://www.reginfo.gov/public/do/PRAsearch>.

Type of Review: Reinstatement of a previously approved collection.

Abstract: Authorization for this information collection is found in 38 U.S.C., Section 1162, Clothing

Allowance, which provides authority for the Secretary to pay a clothing allowance to veterans who, because of a service-connected disability, wear or use a prosthetic or orthopedic appliance (including a wheelchair) which tends to wear out or tear clothing or uses medication that causes irreparable damage to the outer garments. Entitlement to this benefit is granted by 38 CFR 3.810, Clothing Allowance, upon application by the eligible individual. VA Form 10-8678 is used to collect the necessary information to determine if the veteran has established entitlement for a clothing allowance payment. The form has been redesigned for clarity and ease of use for the respondent. However, there is no

change in the estimated burden to complete the form. Based upon program data for recent years, there is an increase in the estimated number of respondents and an associated increase in the total annual burden hours for this information collection.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection of information was published at 91 FR 5037, February 3, 2026. VA received two public comments on the 60-day notice. Although VA takes the comments under advisement, we will make no substantive additional changes

to the information collection at this time.

Affected Public: Individuals or Households.

Estimated Annual Burden: 2,000 hours.

Estimated Average Burden per Respondent: 10 minutes.

Frequency of Response: Once annually.

Estimated Number of Respondents: 12,000.

Authority: 44 U.S.C. 3501 *et seq.*
