

exports of the subject merchandise, or in the event of a negative preliminary determination, a request for such postponement is made by the petitioner. Section 351.210(e)(2) of Commerce's regulations requires that a request by exporters for postponement of the final determination be accompanied by a request for extension of provisional measures from a four-month period to a period not more than six months in duration.

On April 24, 2026, pursuant to 19 CFR 351.210(e), CKD requested that Commerce postpone the final determination and that provisional measures be extended to a period not to exceed six months.¹³ In accordance with section 735(a)(2)(A) of the Act and 19 CFR 351.210(b)(2)(ii), because: (1) the preliminary determination is affirmative; (2) the requesting exporter accounts for a significant proportion of exports of the subject merchandise; and (3) no compelling reasons for denial exist, Commerce is postponing the final determination and extending the provisional measures from a four-month period to a period not greater than six months. Accordingly, Commerce will make its final determination no later than 135 days after the date of publication of this preliminary determination.

U.S. International Trade Commission (ITC) Notification

In accordance with section 733(f) of the Act, Commerce will notify the ITC of its preliminary determination. If the final determination is affirmative, the ITC will determine before the later of 120 days after the date of this preliminary determination or 45 days after the final determination whether these imports are materially injuring, or threaten material injury to, the U.S. industry.

Notification to Interested Parties

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act, and 19 CFR 351.205(c).

Dated: April 27, 2026.

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Appendix I

Scope of the Investigation

The scope of these investigations covers certain freight railcar couplers (also known as "fits" or "assemblies") and parts thereof.

Freight rail couplers are composed of two main parts, namely knuckles and coupler bodies but may also include other items (e.g., coupler locks, lock lift assemblies, knuckle pins, knuckle throwers, and rotors). The parts covered by these investigations include: (1) E coupler bodies; (2) E/F coupler bodies; (3) F coupler bodies; (4) E knuckles; and (5) F knuckles; as set forth by the Association of American Railroads (AAR). The freight rail coupler parts are included within the scope of these investigations when imported individually. Coupler locks, lock lift assemblies, knuckle pins, knuckle throwers, and rotors are covered merchandise when imported in an assembly but are not covered by the scope when imported separately.

Subject freight rail couplers and parts are included within the scope whether finished or unfinished, whether imported individually or with other subject or nonsubject parts, whether assembled or unassembled, whether mounted or unmounted, or if joined with nonsubject merchandise, such as other nonsubject parts or a completed railcar. Finishing includes, but is not limited to, arc washing, welding, grinding, shot blasting, heat treatment, machining, and assembly of various parts. When a subject coupler or subject parts are mounted on or to other nonsubject merchandise, such as a railcar, only the coupler or subject parts are covered by the scope.

The finished products covered by the scope of these investigations meet or exceed the AAR specifications of M-211, "Foundry and Product Approval Requirements for the Manufacture of Couplers, Coupler Yokes, Knuckles, Follower Blocks, and Coupler Parts," and/or AAR M-215 "Coupling Systems," or other equivalent domestic or international standards (including any revisions to the standard(s)).

The country of origin for subject couplers and parts thereof, whether fully assembled, unfinished or finished, or attached to a railcar, is the country where the subject coupler parts were cast or forged. Subject merchandise includes coupler parts as defined above that have been further processed or further assembled, including those coupler parts attached to a railcar in third countries. Further processing includes, but is not limited to, arc washing, welding, grinding, shot blasting, heat treatment, painting, coating, priming, machining, and assembly of various parts. The inclusion, attachment, joining, or assembly of nonsubject parts with subject parts or couplers either in the country of manufacture of the in-scope product or in a third country does not remove the subject parts or couplers from the scope.

The couplers that are the subject of these investigations are currently classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) statistical reporting number 8607.30.1010, 8607.30.1050, and 8607.30.1090. Subject merchandise attached to finished railcars may also enter under HTSUS statistical reporting numbers 7326.90.8688, 8606.10.0000, 8606.91.0000, 8606.92.0000, 8606.99.0130, or under subheading 8606.99.0160. Subject merchandise may also be imported under

HTSUS statistical reporting number 7325.99.5000. These HTSUS subheadings are provided for convenience and customs purposes only; the written description of the scope of these investigations is dispositive.

review of the *Order*.² On December 18, 2024, based on timely requests for review, in accordance with section 751(a)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the *Order* covering five companies.³ On March 4, 2025, we selected Jindal Saw Limited (Jindal Saw) and Suncity as the mandatory respondents in this administrative review.⁴ On March 12, 2025, Jindal Saw timely withdrew its request for review.⁵

On December 9, 2024, Commerce tolled certain statutory and regulatory deadlines in this proceeding by a total of 90 days.⁶ Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁷ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁸ On December 9, 2025, Commerce extended the time limit for these preliminary results by 61 days, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).⁹ On February 26, 2026, Commerce extended the time limit for these preliminary results by an additional 52 days.¹⁰ Accordingly, the deadline for these

preliminary results is now April 30, 2026.¹¹

For a complete description of events that occurred since the initiation of this review, *see* the Preliminary Decision Memorandum.¹² A list of topics included in the Preliminary Decision Memorandum is included in the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/frnotices>.

Scope of the Order

The merchandise covered by the scope of the *Order* is WSPP from India. For a complete description of the scope of the *Order*, *see* the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(2) of the Act. Export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying these preliminary results, *see* the Preliminary Decision Memorandum.

Rescission of Administrative Review, In Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Jindal Saw, Prakash Steelage Ltd. of India (Prakash Steelage), Seth Steelage Pvt. Ltd. (Seth Steelage), Ratnamani Metals & Tubes Ltd. (Ratnamani) timely withdrew their requests for review.¹³ No other parties requested an administrative review of Jindal Saw, Prakash Steelage, Seth

Steelage, and Ratnamani. Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this administrative review with respect to Jindal Saw, Prakash Steelage, Seth Steelage, and Ratnamani.

Preliminary Results of Review

We preliminarily find the following estimated weighted-average dumping margin exists for the period November 1, 2022, through October 31, 2023:

Exporter/producer	Weighted-average dumping margin (percent)
Suncity Metals & Tubes Private Ltd	0.96

request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹⁸ Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁹

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed document must be received successfully in its entirety via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.²⁰ Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants, and whether any participant is a foreign national; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing.²¹ Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Assessment Rates

Upon completion of this administrative review, pursuant to section 751(a)(2)(A) of the Act, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise covered by this review.²²

For Suncity, whose weighted-average dumping margin is not zero or *de minimis* (*i.e.*, less than 0.50 percent), we will calculate importer-specific *ad valorem* AD assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR

351.212(b)(1). If the respondent has not reported entered values, we will calculate a per-unit assessment rate for each importer by dividing the total amount of dumping calculated for the examined sales made to that importer by the total quantity associated with those sales. To determine whether an importer-specific, per-unit assessment rate is *de minimis*, in accordance with 19 CFR 351.106(c)(2), we also will calculate an importer-specific *ad valorem* ratio based on estimated entered values. If Suncity's final weighted-average dumping margin is zero or *de minimis*, or an importer-specific *ad valorem* assessment rate is zero or *de minimis*, we intend to instruct CBP to liquidate appropriate entries without regard to antidumping duties.²³

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by Suncity Sheets for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others rate in the original less-than-fair-value (LTFV) investigation (*i.e.*, 8.35 percent) if there is no rate for the intermediate company(ies) involved in the transaction.²⁴

For the companies listed above for which this review is being rescinded, antidumping duties shall be assessed on entries at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP for the rescinded companies no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.²⁵

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this

review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the company listed above will be equal to the weighted-average dumping margin established in the final results of this administrative review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rates will be zero; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the producer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be the all-others rate established in the LTFV investigation (*i.e.*, 8.35 percent).²⁶ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of our analysis of issues raised by the parties in any written briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Truck Bed Covers From the People's Republic of China: Postponement of Preliminary Determination in the Countervailing Duty Investigation

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable May 6, 2026.

FOR FURTHER INFORMATION CONTACT: Dusten Hom or Suresh Maniam, AD/CVD Operations, Offices I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-5075 or (202) 482-0176, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 20, 2026, the U.S. Department of Commerce (Commerce) initiated a countervailing duty (CVD) investigation of imports of truck bed covers from the People's Republic of China (China).¹ Currently, the preliminary determination is due no later than May 21, 2026.

Postponement of Preliminary Determinations

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1) of the Act permits Commerce to postpone the preliminary determination in a CVD investigation until no later than 130 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination.

Commerce has determined that both respondent companies involved in the proceeding are cooperating because both companies filed a request for an extension of time to respond to the Affiliated Companies portion of the Initial CVD Questionnaire,² and that the investigation is extraordinarily complicated.³ Specifically, Commerce will require additional time to analyze the questionnaire responses and issue appropriate requests for clarification and additional information, particularly regarding questions of affiliation and cross-ownership and program use by the respondents (*i.e.*, Changzhou Sunwood International Trading Co., Ltd. (Sunwood) and Hangzhou Golden Sun Auto Parts Co., Ltd. (Golden Sun)). In accordance with section 703(c)(1)(B) of the Act, Commerce is postponing the due date for the preliminary determination of this investigation to 130 days after the date on which this investigation was initiated, *i.e.*, July 27, 2026.⁴ Pursuant to section 705(a)(1) of

³ See section 703(b)(1) of the Act.

⁴ Postponing the preliminary determination to 130 days after initiation would place the deadline

the Act and 19 CFR 351.210(b)(1), the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination.

Notification to Interested Parties
