#### Overview of This Information Collection

**Title:** Cargo Container and Road Vehicle Certification for Transport Under Customs Seal.

**OMB Number:** 1651–0124.

**Form Number:** N/A.

**Current Actions:** This submission will rename the information collection request (ICR) and extend the expiration date.

**Type of Review:** Extension (with change).

**Affected Public:** Businesses.

**Abstract:** The United States is a signatory to several international Customs conventions governing cargo container and road vehicle certification procedures that specify the technical requirements that containers and road vehicles must meet to be acceptable for transport under Customs seal. U.S. Customs and Border Protection (CBP) has the responsibility of administering the procedures within Title 19, Part 115 for the purpose of certifying U.S.-manufactured containers and road vehicles for use in international transport under Customs seal. The certification process involves container and road vehicle manufacturers, owners, or operators submitting applications for approval to the certifying authorities (the entities designated in 19 CFR 115.6: The American Bureau of Shipping; International Cargo Gear Bureau, Inc.; The National Cargo Bureau, Inc.).
